Dirty Talk

A little kinkier

You're Dominant

I know you've been thinking about
doing/f■cking/tasting me all day

I love it when I can feel you squeeze
around me

You're hot, but I'm gonna make
you work for it

I know what you want, but I want
you to ask/tell/beg me to give
it to you

I'm not going to f■ck you until
I'm ready

You're Submissive

I've been thinking about you all day

I can't wait to feel you against/
inside me

I love it when you look at me
like that

Oh god, I want you/this so bad

I want you to f■ck me in front
of the mirror

Is this yours? Are you going to
take it?

Harder Keep going don't stop Yeah you like that baby As forced as it sounds when you read it many of us love hearing dirty talk in the bedroom We lose ourselves in the heat of passion and take on a persona that turns us on in the most naughty unconventional ways But there's more to it than that What is it about erotic communication that increases our sexual arousal When we look past the kinkiness we may find there's more to dirty talk than our desire to bring out our wild side Since one of the most important things in a relationship is communication it only makes sense that when

things get hot and heavy you should continue to have a dialogue Yes I m suggesting dirty talk and yes if you haven t given it a try during sex or foreplay it s time It s actually less scary than it seems While there are plenty of great articles and books about how to talk dirty to your partner there aren t enough out there about why you should do it Most of these aforementioned articles and books are angled in a way that you should talk to dirty to your man or woman because that s what he or she likes and wants and the rest of the heteronormative junk that fails to include everyone But what those pieces seem to forget is that when you bring dirty talk into the mix it isn t just about your partner and their needs it s equally about what you enjoy too and a lot of us really love to talk dirty It feels good to let it all out Whether you choose to talk dirty in bed via sexting or like to indulge in good old fashioned phone sex talking dirty is definitely something everyone should try Everyone has their own specific set of turn ons but few things are easier to actually do than talk dirty in the bedroom It may feel a little awkward at first but once you get the hang of it it can do amazing things for your sex life But is dirty talk healthy It s hard to believe that raunchy rough sex talk can positively impact a relationship However experts says dirty talk can in fact bring couples closer together Enough of my chit chat click the buy botton above to get started and become a pro dirty talker
