Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesus's view of what it means to be the church In *Discipleship from Jesus's Perspective* author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will Gray carefully examines Jesus's pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan Including purposeful questions and exercises *Discipleship from Jesus's Perspective* provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus

The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts

Following the Master Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In Following the Master Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship Following the Master compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples Following the Master lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers

The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But

Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church s Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24 7 life with Jesus

Disciples of Jesus Christ to Make Disciples For Jesus Christ Theodore Andoseh, The messages in this book were delivered at the Third World Convention of Christian Missionary Fellowship International at her headquarters in Koume Bertoua Cameroon from 8th to 17th December 2019 to brethren of the Community from 93 nations from the six continents We were gathered to give account to God thank and celebrate Him who blessed and enabled us to accomplish the Phase 2 goal of our work These messages serve as an orientation for the pursuit of the goal and directives for our work in the next five to seven years In pursuing these directives as a disciple making movement God being our Helper and by the blessings of the Lord we expect to be a community in which every member loves the Lord Jesus or returns to the first love for the Lord Jesus Our heart cry to the Lord is that these messages would help keep us on the rails and stir us to work hard at accomplishing the goal that we joyously accepted from and committed ourselves to before our blessed Lord and Master Jesus Christ **Disciples Are Made Not Born** Walter A. Henrichsen,2011-09-01 Make Disciples Jesus command is clear But what is a disciple And how are we to make them Based on decades of experience this book explains and illustrates the process of disciple making that Jesus taught and modeled First published in 1974 its practical biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others Disciple making is challenging to be sure But as we are faithful to Christ s Great Commission we ll experience the fulfillment that comes from being faithful to the life mission to which God has called us *Who Is a Disciple of Christ?* John Graham,2009-11 There are many people from all walks of life that profess to be disciples of Christ However if we were to evaluate the principles of which we live by and consider the paths that our daily lives take we probably would not measure up to the scriptures as being disciples of Christ

Within the pages of this book you will find a challenge not criticism regarding the quality of character true followers of Jesus should possess Each chapter encourages the believer in Christ to develop the virtues that would validate one as a disciple of Christ What a difference Christ likeness could and would make in a confused compromised and compliance world What a delight a true demonstration of concern compassion and commitment would make in a condemning and self centered society God wants His followers to fill like with His love His light His law His laughter and His liberty It is the desire of Christ that we take the time to listen learn and lean on Him in order that we may become a load bearer and a living example of true holiness honesty and honor

Into His Likeness Edward Sri,2018-07-01 In the ancient disciple rabbi relationship the disciple would follow the rabbi so closely that he would be covered in the dust kicked up from his rabbi s feet Thousands of years later though we walk on roads of pavement and not dust we are still called to be disciples to follow our Rabbi Jesus Christ so closely that we are covered with his life changed and made new Into His Likeness provides an approachable but in depth exploration of how to live as a disciple and experience the transformation Jesus wants to work in our lives We might desire to live more like Christ but we know we fall short This book simply helps us follow those initial promptings of the Holy Spirit so that we may more intentionally encounter Jesus anew each day and be more disposed to his grace changing us ever more into his likeness

Design for Discipleship J. Dwight Pentecost,1971 Dr Pentecost demonstrates that discipleship is a growing experience of knowledge commitment active love and service

Discipleship that Fits Bobby Harrington,Alex Absalom,2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ

Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today
