David Gans a self-professed Deadhead and host of The Grateful Dead Hour asked Jerry Garcia Bob Weir and the rest of the band the questions their fans would have asked if given the chance. And Gans reaches far beyond the musicians talking with such often overlooked key players as the recording engineer sound man and road crew those who have had the coveted opportunity to witness the Dead's decades of music making. This updated and expanded edition includes a rare never before published interview with Seastones composer Ned Lagin and a new introduction by the author. With a readable combination of intensity inquisitiveness and candor Gans has created an unprecedented portrait of a band who after more than thirty years of music making has earned a unique place in American culture. *Undercover*
