Maryanne Raphael, 2002-08-07. Another beautiful mind gives us a rare opportunity to experience the torments of hallucinations, delusions, and anxieties a biochemical brain disorder can bring. In her most recent book *ALONG CAME A SPIDER: A PERSONAL LOOK AT MADNESS*, author Maryanne Raphael shares with us her intimate feelings, deepest pain, and eventual recovery. Her words are not the usual definitions and descriptions found in mental health literature but those of a lifelong journal keeper as she endures hospitalizations and the periods in between. She shows the universality of mental illness as she keeps writing through her crises in Brazil, Morocco, New York, California, and Hawaii. And finally, she gives us hope that those who suffer from a mental illness can live a stable, productive life. From her home base in Carlsbad, CA, Maryanne now travels the globe, continues her writing career, and is an inspiration to all. Thelma Hayes, Founding President and Advocacy Chair, NAMI NCSDC National Alliance for the Mentally Ill, North Coastal San Diego County. [Bong the](#)

[Bouncing Elephant and His Fantastic Friends](#) Wayne Teall, 2012-09-21. I have always wanted to write a book ever since I can remember, but one day I was listening to a programme on Radio 5 which I don't normally listen to. Sir Terry Pratchett, the famous author, was on there saying how everyone has something in them, but if they can't write it down or if they can't type, try and get it down somehow. After a while, a couple of days after listening to the programme, I was asked to go and clear up something at work, and, funnily enough, there were two dictaphones. I thought this was a bit spooky, so I decided to use one of the dictaphones and start my book. It wasn't easy; it was difficult at first to talk into a tape recorder and put down your feelings and thoughts on there. This book was done purely through my imagination; the characters are purely my thoughts, and I see how everything was when I was a kid at school, how we were brought up, and how the school is broken down into different elements at school where you have some friends, there, some friends, there, not so many friends, there, no friends, there, and you went around in a group all your life. This book is about Bong, how he meets his friends, how he falls out with friends, and how he has some great friends and they always will be. This is what the book is all about: friends. The biggest thing about the book is honour and respect to your friends and family. The characters in the book are also caricatures of themselves, which is self-explanatory.
