Alvin Ailey:

Revelations Alvin Ailey, A. Peter Bailey, 1995 World class choreographer Alvin Ailey was a pioneer in the world of dance Now the intensely private man opens up to tell his own story in his own words It is a revelation that will astound even those who think they knew Alvin Ailey the man who forever changed the face and the rhythm of the world of dance photographs

Dancing Revelations Thomas F. DeFrantz, 2004-01-15 In the early 1960s the Alvin Ailey American Dance Theater was a small multi racial company of dancers that performed the works of its founding choreographer and other emerging artists By the late 1960s the company had become a well known African American artistic group closely tied to the Civil Rights struggle In Dancing Revelations Thomas DeFrantz chronicles the troupe s journey from a small modern dance company to one of the premier institutions of African American culture He not only charts this rise to national and international renown but also contextualizes this progress within the civil rights women s rights and gay rights struggles of the late 20th century DeFrantz examines the most celebrated Ailey dances including Revelations drawing on video recordings of Ailey s dances published interviews oral histories and his own interviews with former Ailey company dancers Through vivid descriptions and beautiful illustrations DeFrantz reveals the relationship between Ailey s works and African American culture as a whole He illuminates the dual achievement of Ailey as an artist and as an arts activist committed to developing an African American presence in dance He also addresses concerns about how dance performance is documented including issues around spectatorship and the display of sexuality the relationship of Ailey s dances to civil rights activism and the establishment and maintenance of a successful large scale Black Arts institution Throughout Dancing Revelations DeFrantz illustrates how Ailey combined elements of African dance with motifs adapted from blues jazz and Broadway to choreograph his dances By re interpreting these tropes of black culture in his original and well received dances DeFrantz argues that Ailey played a significant role in defining the African American cultural canon in the twentieth century As the first book to examine the cultural sources and cultural impact of Ailey s work Dancing Revelations is an important contribution to modern dance history and criticism as well as African American studies
