Defining Baptist Convictions Charles W. Deweese, 1996 This book presents a collection of twenty essays on basic Baptist convictions With contributions by Baptist leaders in the United States Canada and England the essays offer valuable suggestions for activating and conserving pivotal Baptist ideals and practices This book can help to jump start Baptists into the next millennium by motivating them to look deep into the heart of their stories **Baptist Convictions** Winthrop Still

In Baptists and the Emerging Church Movement David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives **A History of Baptists in New Jersey** Thomas Sharp Griffiths, 1904

A Necessary Consequence Steven Olsen,2025-06-25 Is agreement on the language of Scripture sufficient to determine agreement on doctrines Or is it possible for individuals with differing doctrines to agree on the language of Scripture If so how can we ascertain what another truly believes A Necessary Consequence is a historical study and evaluation of the necessity of using confessional language to clarify one s beliefs based on Scripture English Baptists in the seventeenth century witnessed the rise of antitrinitarianism In response General Baptists used only scriptural language to discuss the Trinity thereby weakening their doctrine as antitrinitarian views were tolerated However Particular Baptists entered the eighteenth century stronger having clearly stated their belief with confessional trinitarian language The Salters Hall Debates in 1719 highlighted the divide in these two approaches In 1720 Broadmead Church inaugurated Bristol Baptist Academy with the conviction of imparting sound confessional doctrine to its alumni **Annual Session of the Baptist Congress for the Discussion of Current Questions, Held at ...** ,1888 *Jesus the Messiah, Being an Abridged Edition of 'The Life and Times of Jesus the Messiah'* Alfred Edersheim,1890 Jesus the Messiah Alfred Edersheim,1890 **The Watchman-examiner** ,1928 The New Testament for English Readers: Containing the Authorized Version, with Marginal Corrections of Readings and Renderings ,1875 **The Life and Times of Jesus the Messiah** Alfred Edersheim,1883 **Baptist Commonwealth** ,1909 **The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine** ,1876 Annual Baptist Autumnal Conference for the Discussion of Current Questions, Held ... ,1907
