**Barbarian's Prize** Ruby Dixon,2023-02-28 The next novel in the international publishing phenomenon the Ice Planet Barbarians series now in a special print edition with a bonus original novella Tiffany doesn't care about all the attention she's getting from the alien men but there is one particular hunter she can see herself with if only she can find a way to move forward from the past It's hard being the most popular girl on the ice planet The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs But they don't know my secrets And they don't realize that behind my smile I just wish they'd take their courting presents and their competitions for my affection and go away I want to be left alone But on a planet where women are a scarcity that won't be happening If I had to choose a mate it'd be someone with a gorgeous blue body big horns and the most intense gaze ever Someone who knows the truth of what happened to me and why I don't like attention Patient handsome Salukh knows my secrets He knows why I have nightmares and why I don't trust anyone He's willing to let me experiment with him I can use him Take what I need from him to work through my trauma He's been a good friend and the best shoulder to cry on There's one small problem When it comes to us he doesn't just want to be my friend He wants to be my forever And day by day he's getting harder to resist *Barbarian's Prize* Ruby

Dixon,2016-03-04 It's hard being the most popular girl on the ice planet The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs But they don't know my secrets none of them do And they don't realize that behind my smile I just wish they'd go away I don't want any of them I want someone else someone with a gorgeous blue body big horns and the most intense gaze ever He's the only one that knows the truth Maybe with him I can work through my fears of the past but I'm pretty sure he wants more than just friendship He wants forever and I'm not sure I can give it

*Barbarian's Hope* Ruby Dixon,2025-04-29 The next novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with bonus material Asha and Hemalo's relationship has never been easy for there is just as much hurt between them as there is love Will they find their way back to each other or will they let tragedy keep them separated for good Seasons ago I resonated to the quietest of tribesmates a male content to love me from afar while I was the center of attention We could have been happy Despite our differences I loved him and he loved me But then a terrible thing happened and my world was never the same again Now resonance is giving us a second chance but I'm afraid What if our bond is too broken to be fixed What if there's no hope left for us at all *Barbarian's Taming* Ruby

Dixon,2024-05-28 The next novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with an exclusive bonus epilogue There are a million reasons why Hassen and Maddie shouldn't work but despite it all they find themselves unable to resist each other As a newcomer to the alien tribe I've struggled to find my place It might be because I'm a tad headstrong at times And yes I might have thrown a few things at people's heads But I had a good reason to pitch a fit my shy sister was stolen away right under my nose Of course now she's back and mated Everyone's

happy except me I need affection Attention Okay I m lonely Really lonely Strangely enough the only person that I think understands what I m going through is the same blue skinned brute that stole my sister It s wrong to hook up with him even as a mindless fling Except I m not so good with the whole rules thing And he s not so great with the fling thing But maybe there s a chance for us

*Barbarian's Heart* Ruby Dixon,2025-01-28 The next novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with a bonus novella The unthinkable happens when a devastating accident causes Pashov to forget his mate but Stacy will do whatever it takes to make her family whole again The first time I laid eyes on Pashov we resonated I was happy and in love and we were raising a beautiful child together All of that was torn apart when the world shook My mate nearly died He woke up from his coma but he can t remember me Or our son Every memory of the past two years is gone And that changes everything between us How can I love someone who doesn t remember me How can I not when I know he s still my mate underneath it all

**Barbarian's Touch** Ruby Dixon,2024-01-02 The next novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with a bonus new epilogue Lila has never been more frightened in her life but when Rokan appears everything changes When I wake up on the ice planet I m scared of everything This place is cold silent and the locals look more like blue devils than aliens To make matters worse one of the strangers decides I m going to be his girlfriend and kidnaps me away from my sister I m completely and utterly alone What s a girl to do Well this girl escapes Of course that means I go from the frying pan into the fire and my situation gets even more dangerous Just when I have no hope left a new hero shows up Sure he s blue horned and has a tail He s also fierce protective makes me purr and thinks I m perfect But is what we have real or just a mating instinct
