Barbarian Queen:

Alien Barbarian's Queen Miranda Martin,2020-05-12 I do not desire death but if that is my destiny to protect my Queen then so be it Eve After the fall homeless folks like I became were shut out of the system Not even my medical degree saved me from the fate so many experienced Living rough with a group of women and children we end up attached to a roving military unit when hostile aliens attack Earth They re taking women by force to use in medical experiments I m left with two goals Stay alive and see that the eight year old girl I ve adopted survives long enough for help to arrive When women start falling ill to some unknown contagion which makes them irrationally aggressive we have to move twice as fast to avoid contracting it I don t even know where to turn for help When a Draconian ship lands and hundreds of warriors pour out I can t help being suspicious Are they friend or foe One or the other I m not taking any chances with my little girl counting on me to keep her safe Rruk I left our home world looking for action and adventure What I found was the Queen of my heart with a tiny queen of her own Though I had dreamed of battle scars to mark me as a warrior of worth instead I got wounds to my heart as these two cleave their way into my affections I am a foolish male to make myself their protector during times of war Their world is under siege by vicious parasites and their Moltan handlers Every day is filled with endless fighting danger looms near the Queens of my heart as my comrades fall around us I am the only thing that stands between my Queens and a fate worse than death I don t want to die but I will do whatever it takes to protect my Queens If death is to be my destiny then so be it
