enjoy the beauty of dreams and grow the traits of bravery kindness and curiosity At the end of the story Barbie is still Dreamland s keeper She watches over its wonders and makes sure that people will love them for many more years She closes her eyes and dreams of Dreamland all the time because she knows that the fun things she did there will always be a part of her Barbie s Magical Adventure in Dreamland shows how powerful dreams kindness and bravery can be It reminds us that the world is full of amazing things just waiting to be found by people who believe and that the keys to amazing experiences and lasting memories are inside our hearts Story Begins Barbie was a little girl who lived in a cute little town People knew her for having beautiful golden hair bright blue eyes and a kind heart Barbie stood out among the simple homes and friendly neighbors in the town as a symbol of modesty and purity Barbie had golden hair that fell down her back in waves that sparkled like a river of light As the light caught on her and turned into a beautiful halo she looked like a living breathing sign of hope Her bright blue eyes sparkled with interest like two sapphires watching over the secrets of the world But what made Barbie different from the other kids in town was her heart She had a giving heart that touched everyone she met She could make anyone feel special and better even on the worst days with her kind words and warm smile It was Barbie s job to show that even in a world that seemed rude and rushed good manners could still win The one thing that made Barbie different though was something that not many people knew about her she could go to Dreamland a magical world that appeared only in her dreams The hamlet would go to sleep every night and Barbie s travels would begin Dreamland was a place where dream rules did not apply It stretched out in front of her like a beautiful tapestry in her thoughts It was a world where the trees whispered secrets and the animals spoke in riddles and wisecracks The sky was purple and turquoise In Dreamland Barbie can be anyone and go anywhere It s a place where anything is possible and where the soul can find comfort Her adventures at night were amazing She would soar through the sky on a shiny dragon feeling the rush of freedom in her blood as the wind pulled her hair back She would have tea parties with rabbits that could talk The rabbits laughter would sound like a happy symphony in a field of brightly colored flowers She liked to wander around in beautiful forests where streams sang lullabies to long lost hopes and trees whispered stories of past adventures Barbie on the other hand found the animals in Dreamland to be very interesting There was Lumina a pretty fairy whose wings sparkled like stars at dusk She would teach Barbie about the night sky by telling her stories about constellations and the music that the stars played Nimbus a sneaky cloud fairy who can change shape at will came next Nimbus could change into a dolphin to explore the depths of the dream seas or a kite to take Barbie high above the clouds Barbie and Nimbus would go on exciting adventures together She made new friends every night and each one was more creative than the last She laughed with kind giants whose hearts were as big as the sky danced with fire sprites whose bright flames lit up the night sky and talked with wise old owls who taught her ancient secrets
