The Basement Kate Millett,1979 A Dream-Guided Meditation Model and the Personalized Method for Interpreting Dreams Evelyn M. Duesbury,2016-07-15 A Dream Guided Meditation Model and the Personalized Method for Interpreting Dreams presents a model for meditation that counselors can use with clients regardless of gender race national origin religion age or marital status Using the model readers can if they wish learn to interpret nighttime dreams Even readers who choose not to learn to interpret their dreams may find that the meditation model assists with dream guidance **Moving Archives** Linda M. Morra,2020-01-15 The image of the dusty undisturbed archive has been swept away in response to growing interest across disciplines in the materials they house and the desire to find and make meaning through an engagement with those materials Archival studies scholars and archivists are developing related theoretical frameworks and practices that recognize that the archives are anything but static Archival deposits are proliferating and the architects practitioners and scholars engaged with them are scarcely able to keep abreast of them Archives archival theory and archival practice are on the move But what of the archives that were once safely housed and have since been lost or are under threat What of the urgency that underscores the appeals made on behalf of these archives As scholars in this volume argue archives their materialization their preservation and the research produced about them are moving in a different way they are involved in an emotionally engaged and charged process one that acts equally upon archival subjects and those engaged with them So too do archives at once represent members of various communities and the fields of study drawn to them Moving Archives grounds itself in the critical trajectory related to what Sara Ahmed calls affective economies to offer fresh insights about the process of archiving and approaching literary materials These economies are not necessarily determined by ethical impulses although many scholars have called out for such impulses to underwrite current archival practices rather they form the crucial affective contexts for the legitimization of archival caches in the present moment and for future use
