Christian Scripture:

The Bible Prayer Book; Or, Christian's Scripture Help in Prayer. Also an Arranged Selection of the Most Striking and Useful Proverbs of Solomon. By the Author of Serjeant B-. ,1836 *The Identity of Israel's God in Christian Scripture* Don Collett, Mark Elliott, Mark Gignilliat, Ephraim Radner, 2021-01-29 A broad sweeping volume that breaches the walls separating biblical and theological disciplines Biblical scholars and theologians engage an important question Who is Israel's God for Christian readers of the Old Testament For Christians Scripture is the Old and New Testament bound together in a single legacy Contributors approach the question from multiple disciplinary vantage points Essays on both Testaments focus on figural exegesis critical exegesis and the value of diachronic understandings of the Old Testament's compositional history for the sake of a richer synchronic reading This collection is offered in celebration of the life and work of Christopher R Seitz His rich and wide ranging scholarly efforts have provided scholars and students alike a treasure trove of resources related to this critical question *Jeremiah 48 as Christian Scripture* Julie Woods, 2011-07-28 An insightful contribution to Old Testament studies showing how the seemingly bloodthirsty oracle of Jeremiah 48 nevertheless contains a positive Christian reading In this sophisticated study Julie Woods identifies some salient features of Jeremiah's Moab oracle by means of a careful analysis and comparison of both the Septuagint and the Masoretic Text of Jeremiah 48 She also explores the implications of links between the Moab oracles in Jeremiah 48 and Isaiah 15 16 The focus then moves to theological hermeneutics via an examination of some recent Christian interpretations of the oracle from Walter Brueggemann Ronald Clements Terence Fretheim Douglas Jones and Patrick Miller Building on the observations of these scholars and the conclusions reached from her own textual analyses Woods provides an innovative Christian reading of the oracle including two imaginative film scripts to bring the text to life Perhaps one of the more surprising proposals is that Easter is the ultimate horizon of Jeremiah 48 **The Struggle to Understand Isaiah as Christian Scripture** Brevard S. Childs, 2004-10-04 A key emphasis of Brevard Childs's distinguished career has been to show not only that the canon of Scripture comprises both Old and New Testaments but also that the concept of canon includes the way the Christian church continues to wrestle in every age with the meaning of its sacred texts In this new volume Childs uses the book of Isaiah as a case study of the church's endeavor throughout history to understand its Scriptures In each chapter Childs focuses on a different Christian age using the work of key figures to illustrate the church's changing views of Isaiah After looking at the Septuagint translation Childs examines commentaries and tractates from the patristic Reformation and modern periods His review shows that despite an enormous diversity in time culture nationality and audience these works nevertheless display a family resemblance in their theological understandings of this central Old Testament text Childs also reveals how the church struggled to adapt to changing social and historical conditions often by correcting or refining traditional methodologies while at the same time maintaining a theological stance measured by faithfulness to Jesus Christ In an important final chapter

Childs draws out some implications of his work for modern debates over the role of Scripture in the life of the church. Of great value to scholars, ministers, and students, this book will also draw general readers into the exciting theological debate currently raging in the Christian church about the faithful interpretation of Scripture.
