## **Christian Disciple:**

**What Is a Disciple and How Do You Make One?** Mark Swiger, 2015-09 In many ways the church has become more adept at adding members than preparing true Christian disciples Author and evangelist Mark Swiger believes that bringing souls to Christ and then nurturing them to Christ like maturity requires an approach that is different from the methods often employed today Many congregations do not have a clear plan in place for seeing every believer grow to fruitfulness and spiritual maturity Adding to this problem sometimes pastors struggle with knowing how to equip others for the work of the ministry Swiger has developed a Spirit led manual for disciples and those who lead them Part I of his book is for everyone since every believer is first and foremost a disciple of Jesus Part II speaks to the particular needs of pastors and leaders who are charged with discipling others This interactive biblically based handbook is designed to help the church rediscover the eternal disciple making truths and examples found in the Scriptures God s Word still has the power to transform ordinary believers into disciples who can turn the world upside down

**The Christian Disciple** John E. [True Christian Discipleship](#) G. A. N. James, PhD, 2026-02-16 True Christian Discipleship Living in Union with Christ presents discipleship not as a human effort to follow Christ but as a divine reality rooted in the believer s union with Him in His death burial and resurrection Grounded in Scripture this book explains that true discipleship begins with the end of the self life through the Cross and the emergence of the life of Christ within the believer through his resurrection with Christ

Through clear spiritually profound teaching it unfolds the believer's participation in Christ's crucifixion resurrection and indwelling life showing that ministry obedience and fruitfulness flow not from human strength but from Christ living through His disciples This work calls readers to rest in the finished work of God and to walk in the simplicity and power of the Christ life

**Being Disciples** Rowan Williams, 2016-12-12 Basic instruction in Christian discipleship from one of the world's greatest living theologians Discipleship says Rowan Williams in this companion to his best selling Being Christian is a state of being Discipleship is about how we live not just the decisions we make not just the things we believe but a state of being Having covered baptism Bible Eucharist and prayer in Being Christian Williams turns his attention in this book to what is required for us to continue following Jesus and growing in faith The book has six succinct chapters Being Disciples Faith Hope and Love Forgiveness Holiness Faith in Society Life in the Spirit In his typically gentle inviting pastoral writing style Williams offers biblically grounded wisdom for Christians at all stages of their journeys as disciples of Jesus

*The Sovereign God and the Christian Disciple* Robert M Solomon, The sovereignty of God is a doctrine that has been debated by Christians for centuries For some this remains a passionate topic creating different camps among Christians endlessly arguing about whether God's sovereignty and human free will can co exist For the majority the doctrine is a vague concept that remains to be explored This book deals with these issues by examining what the Bible says about God's sovereignty and human responsibility It explores the sovereignty of God by looking at God as the Creator Saviour Shepherd and Judge and tackles questions that commonly emerge If we believe that God is truly sovereign then we must live out the implications by living

faithfully and responsibly by trusting and obeying Him amid the challenges of life praying to Him sharing about Him with others and serving and hoping in Him Our relationship with Him is an important way to understand how His grace purpose and power invite us to respond responsibly to Him in active discipleship *Discipleship* A. W. Tozer,2018-05-01 Do you long to be more like Christ Discipleship lies at the center of Christian life and practice It is a beautiful journey in which each of us simultaneously attempt to become more like Christ and to help others do the same It is our most important task on earth but often it is neglected or misunderstood A W Tozer on the other hand knew exactly what it meant to disciple and to be disciplined Discipleship What It Truly Means to Be a Christian is a collection of Tozer s powerful and passionate writings on discipleship In it you will learn about the call terms and marks of discipleship devotional practices obedience reproducing disciples Whether you are a new believer or have known Christ for a lifetime Tozer s words will encourage and inspire you to love Jesus more Come and be disciplined by this beloved spiritual writer **Christ's Call to Discipleship** James Montgomery Boice,1998 Boice describes what it means to live a life of true discipleship recognizing Christ s dominion not only as Savior but also as Lord Popular radio speaker author and pastor James Montgomery Boice describes what it means to live a life of true discipleship recognizing Christ s dominion not only as Savior but also as Lord Dr Boice explores the meaning path cost and rewards of being a true disciple As the author asserts in the preface I believe that if America could produce a generation of Christians who genuinely affirm and live by these teachings **Transitioning the 21st Century Church from Membership to Christian Discipleship** James Simmons,2021-09-15 Plaguing the 21st Century Church is an emphasis being placed on membership while mitigating the significance of Christian discipleship It seems as if the church has allowed the dominating dialogue of membership to become prevalent while diminishing the relevancy of Christian discipleship Here we will have a focus on recognizing the importance of Christian discipleship training without excluding membership There can be a partnership that aligns Christian discipleship and membership to carry out the rigors of ministry The alliance of Christian discipleship and membership principles will be defined and developed here and will possibly illuminate these ideas for the congregant to see the benefits of being a Christian disciple One of the major benefits of Christian discipleship aligning with membership is that as a disciple one will utilize its principles to properly place him or her as a member of the Body of Christ One of the major issues within the church is that there is a misunderstanding of how we see membership Some see membership as only being a part of the church but it is much more than that Membership within a church has its place but it is not the only place when we look at a Christian s development from a holistic approach Membership has another perspective that is preceded by being a disciple of Christ that speaks to the fundamental understanding of membership Christ develops the disciple prior to the church s inception It is Christian discipleship that sets the tone for membership and is not limited to the church but equips one to become a viable part of the Body of Christ as a member of that body **Mere Discipleship** Lee C.
