Christine Delphy:

Christine Delphy Stevi Jackson, 1996-05-21 Christine Delphy is a major architect of materialist feminism a radical feminist perspective which she developed in the context of the French women s movement in the late 1960s and early 1970s She has always been a controversial figure and continues to make original and challenging contributions to current feminist debates In this lucid introduction to Delphy s work Stevi Jackson explains Delphy s views on patriarchal exploitation class gender and the institutionalization of feminism She also recounts the key events in Delphy s life as a feminist activist setting her works within their social and political context In addition to providing a clear synthesis of Delphy s work the book makes a significant contributi

Close to Home Christine Delphy, 2016-09-13 Close to Home is the classic study of family patriarchal ideologies and the politics and strategy of women s liberation On the table in this forceful and provocative debate are questions of whether men can be feminists whether bourgeois and heterosexual women are retrogressive members of the women s movement and how best to struggle against the multiple oppressions women endure Rachel Hills s foreword to this new edition explores how Christine Delphy s analysis of marriage as the institution behind the exploitation of unpaid women s labor is as radical and relevant today as it ever was

Close to Home Christine Delphy, 2016-09-06 Classic analysis of gender relations and patriarchy under capitalism Close to Home is the classic study of family patriarchal ideologies and the politics and strategy of women s liberation On the table in this forceful and provocative debate are questions of whether men can be feminists whether bourgeois and heterosexual women are retrogressive members of the women s movement and how best to struggle against the multiple oppressions women endure Rachel Hills s foreword to this new edition explores how Christine Delphy s analysis of marriage as the institution behind the exploitation of unpaid women s labor is as radical and relevant today as it ever was

Christine Delphy Moira Maconachie, 1986 *Gender* Stevi Jackson, Sue Scott, 2002 Offering students an informed overview of some of the most significant sociological work on gender produced over the last three decades these readings are supplemented by a substantial critical introduction and editorial commentary

The Routledge Dictionary of Twentieth-century Political Thinkers Robert Benewick, Philip Green, 1998 It presents the ideas concepts and doctrines of leading social scientists philosophers economists and great personalities who influenced 20th century political thought and action

The Women's Liberation Movement Kristina Schulz, 2017-07-01 For over half a century the countless organizations and initiatives that comprise the Women s Liberation movement have helped to reshape many aspects of Western societies from public institutions and cultural production to body politics and subsequent activist movements This collection represents the first systematic investigation of WLM s cumulative impacts and achievements within the West Here specialists on movements in Europe systematically investigate outcomes in different countries in the light of a reflective social movement theory comparing them both implicitly and explicitly to developments in other parts of the world

The Undercut Reader Nina Danino, Michael Mazière, 2003 A collection of writings and visual works from the

UK magazine Undercut together with newly commissioned articles by leading critics in the field *The Politics of Culture* Christian Jacobs, 2025-11-13 The book analyzes how three political movements used the concept of culture in France between the late 1960s and the early 1980s the women's liberation movement immigrant movements and a far right movement around the group GRECE What did culture mean to the movements and when and why did they use the concept The book discusses intellectual labor beyond well known thinkers in both the practice and the theory of political activists It helps readers understand the high brow debates around the culture wars and the cultural turn as part of a larger societal trend that surpasses the academic field It offers historical explanations beyond academia because of its focus on primary sources from quotidian political struggles Two contexts shaped concepts of culture in society more broadly First decolonization as an intellectual and political development redefined political key concepts such as culture Second change through culture replaced earlier visions in which the state was seen as the central instrument for political change Methodologically the book treats political movements as production sites of concepts thereby connecting intellectual history with political and social history

Education and Women Empowerment Ace Buck &, 2019-04-06 Education fills in as the conductor by which women since quite a while ago established in the private circle move into people in general circle and declare themselves on an equivalent premise with men As a springboard to business and monetary freedom advocates say education gives the basic establishment from which encourage strengthening streams It is in this setting the present paper tries to discover the connection between imbalance in education and women strengthening To discover the effect of disparity in education on different parameters a relationship framework has been computed To know the level of women strengthening in different parts of the world the factors like female offer in national parliament level of female education and female work drive support rate has taken Engaging women through education has turned into a best need of worldwide advancement endeavors Erin Murphy Graham draws on over a time of subjective research to look at the encounters of Juanita and eighteen other women who took part in the SAT program Their stories propose the straightforward yet unpretentious ways education can start the strengthening procedure and additionally the part of men and young men in advancing sexual orientation correspondence
