Christmas Town:

Under the Mistletoe Liz W. Faber, 2024-12-19 When you think of holiday romance in popular culture you probably imagine the formulaic made for TV movies we all love to watch a career gal moves from the big city to a small town where she finds the love of her life and the true meaning of Christmas Yet as with so much of the romance genre our favorite holiday movies books TV episodes and plays are so much richer than the oft derided formula The 22 essays in this volume turn a scholarly eye to one of our most beloved and under examined subgenres offering celebrations and criticisms alike of Christmas New Year Hanukkah and Diwali romances This work includes voices from global scholars across an impressive breadth of disciplines literature history theater media gender and sexuality studies sociology psychology anthropology law and victim studies Readers will delight in celebrations of old classics like Christmas in Connecticut new favorites like A Holly Jolly Diwali and everything in between

Allison's Wedding Dress Charlie Brough, 2004-07 Allison s Wedding Dress one of the 46 short stories in this book is based on a young woman the author met and observed while living and working in Aberdeen Washington The fictionalized account of her life was chosen to be the cornerstone of this collection of short stories all of which are written by the author of this book This collection is sure to entertain readers of all ages Allison raised by her great aunt and uncle lived under extremely rigid conditions She was forced to marry a total stranger who used her in place of frequenting the local brothel Emotionally battered and practically brainwashed that she was going to go to hell Allison lived a lonesome and forlorn life in her and John s tiny rundown home next to the railroad tracks The very same house where her mother by the same name had died Many of these stories are true to life or based on real events from newspaper articles Mega Woman details how winning the Mega Bucks lottery may have changed the life of a young woman struggling to make ends meet Other stories answer questions never before answered like how did the SCUD missile come by its name The Mystery Of The Mima Mounds is my offering of science fiction

Town Development Will L. Finch, 1917 [Learning to Live](#) Douglas Palermo, 2004-12 In Learning to Live Douglas Palermo takes us on his personal journey for meaning purpose and enlightenment in an otherwise meaningless fragmented post modern world Through his personal writings short stories essays articles poems etc we follow Doug from being an 8th grade student all the way to being a teacher of 8th grade students covering over twelve years in the process We see Doug the high school student developing his writing skills and using them for fun and humor in the classroom and on the internet We see Doug the college student using his writing to tackle issues of politics and self identity in his essays and short stories We see Doug the young adult yearn for spiritual enlightenment in his metaphysical notebook and fictions And we see Doug the teacher synthesizing all he learned and sharing it with the world through his journal entries and rap songs Take the journey through the writings of Douglas Palermo and you will find his soul and the soul of the Universe
