Diplomatic Dance:

Dancers as Diplomats Clare Croft, 2015-02-03 *Dancers as Diplomats* chronicles the role of dance and dancers in American cultural diplomacy. In the early decades of the Cold War and the twenty-first century, American dancers toured the globe on tours sponsored by the US State Department. *Dancers as Diplomats* tells the story of how these tours shaped and sometimes reimagined ideas of the United States in unexpected, often sensational circumstances: pirouetting in Moscow as the Cuban Missile Crisis unfolded and dancing in Burma shortly before the country held its first democratic elections. Based on more than seventy interviews with dancers who traveled on the tours, the book looks at a wide range of American dance companies, among them New York City Ballet, Alvin Ailey American Dance Theater, the Martha Graham Dance Company, Urban Bush Women, ODC Dance, Ronald K. Brown Evidence, and the Trey McIntyre Project, among others. During the Cold War, companies danced everywhere, from the Soviet Union to Vietnam, just months before the US abandoned Saigon. In the post-9/11 era, dance companies traveled to Asia, Latin America, sub-Saharan Africa, and the Middle East.

The New Constructivism in International Relations Theory David M. McCourt, 2023-06-13. Tracing constructivist work on culture, identity, and norms within the historical, geographical, and professional contexts of world politics, this book makes the case for new constructivist approaches to international relations scholarship.

Martha Graham's Cold War Victoria Phillips, 2020. I am not a propagandist, declared the matriarch of American modern dance, Martha Graham, while on her State Department-funded tour in 1955. Graham's claim inspires questions: the United States government exported Graham and her company internationally to over twenty-seven countries in Europe, Eastern Europe, the Middle East, the Near and Far East, and Russia, representing every seated president from Dwight D. Eisenhower through Ronald Reagan and planned under George H. W. Bush. Although in the diplomatic field she was titled "The Picasso of modern dance" and "Forever Modern" in later years, Graham proclaimed, "I am not a modernist." During the Cold War, she reconfigured the history of modernism as apolitical in its expression of the heart and soul of mankind, suited to political needs abroad. In addition, she declared, "I am not a feminist," yet she intersected with politically powerful women from Eleanor Roosevelt, Eleanor Dulles (sister of Eisenhower's Dulles brothers in the State Department and CIA), Jackie Kennedy Onassis, Betty Ford, and political matriarch Barbara Bush. While bringing religious characters on the frontier and biblical characters to the stage in a battle against the atheist communists, Graham explained, "I am not a missionary." Her work promoted the United States as modern, culturally sophisticated, racially and culturally integrated. To her abstract and mythic works, she added the trope of the American frontier. With her tours and Cold War modernism, Graham demonstrates the power of the individual.

Dance for Export Naima Prevots, 1999-04-16 A little known episode in the history of dance that illuminates the broader subject of cultural policy during the Cold War era At the height of the Cold War in 1954 President Eisenhower inaugurated a program of cultural exchange that sent American dancers and other artists to political hot spots overseas This peacetime gambit by a warrior hero was a resounding success Among the artists chosen for international duty were Jos Lim n who led his company on the first government sponsored tour of South America Martha Graham whose famed ensemble crisscrossed southeast Asia Alvin Ailey whose company brought audiences to their feet throughout the South Pacific and George Balanchine whose New York City Ballet crowned its triumphant visits to Western Europe and Japan with an epoch making tour of the Soviet Union in 1962 The success of Eisenhower s program of cultural export led directly to the creation of the National Endowment for the Arts and Washington s Kennedy Center Naima Prevots draws on an array of previously unexamined sources including formerly classified State Department documents congressional committee hearings and the minutes of the Dance Panel to reveal the inner workings of Eisenhower s Program the complex set of political fiscal and artistic interests that shaped it and the ever uneasy relationship between government and the arts in the US
