Desire's Captive Penny Jordan, 2017-02-06 Desire's Captive Re read this classic romance by New York Times bestselling author Penny Jordan Saffron lived a life of luxury as a millionaire businessman's daughter until she met darkly charismatic Italian Nico Doranti Swept away by her own longing she finds herself kidnapped by him Nico's cold hard exterior masks his true motivations For despite himself he cannot ignore his urge to both claim Saffron and protect her And when the truth comes out Nico knows their passionate connection has branded Saffron as his and he'll do what he must to prove it Originally published in 1983

Desires' Captive Penny Jordan, 1983-01-01 *New Desires, New Selves* Gul Ozyegin, 2015-08-21 As Turkey pushes for its place in the global pecking order and embraces neoliberal capitalism the nation has seen a period of unprecedented shifts in political religious and gender and sexual identities for its citizens In *New Desires New Selves* Gul Ozyegin shows how this social transformation in Turkey is felt most strongly among its young people eager to surrender to the seduction of sexual modernity but also longing to remain attached to traditional social relations identities and histories Engaging a wide array of upwardly mobile young adults at a major Turkish university Ozyegin links the biographies of individuals with the biography of a nation revealing their creation of conflicted identities in a country which has existed uneasily between West and East modern and traditional and secular and Islamic For these young people sexuality gender expression and intimate relationships in particular serve as key sites for reproducing and challenging patriarchy and paternalism that was hallmark of earlier generations As Ozyegin evocatively shows the quest for sexual freedom and an escape from patriarchal constructions of selfless femininity and protective masculinity promise both personal transformations and profound sexual guilt and anxiety A poignant and original study *New Desires New Selves* presents a snapshot of cultural change on the eve of rapid globalization in the Muslim world

Toulouse,2013-04-23 Why do narratives of Indian captivity emerge in New England between 1682 and 1707 and why are these texts so centrally concerned with women's experience supported and even written by a powerful group of Puritan ministers In *The Captive's Position* Teresa Toulouse argues for a new interpretation of the captivity narrative one that takes into account the profound shifts in political and social authority and legitimacy that occurred in New England at the end of the seventeenth century While North American narratives of Indian captivity had been written before this period by French priests and other European adventurers those stories had focused largely on Catholic conversions and martyrdoms or male strategies for survival among the Indians In contrast the New England texts represented a colonial Protestant woman who was separated brutally from her family but who demonstrated qualities of religious acceptance humility and obedience until she was eventually returned to her own community Toulouse explores how the female captive's position came to resonate so powerfully for traditional male elites in the second and third generation of the Massachusetts colony Threatened by ongoing wars with Indians and French as well as by a range of royal English interventions in New England political and cultural life figures such as Increase Mather Cotton Mather and John Williams perceived themselves to be equally challenged by religious and social conflicts within New England By responding to and employing popular representations of female captivity they were enabled to express their ambivalence toward the world of their fathers and toward imperial expansion and thereby to negotiate their own complicated sense of personal and cultural identity Examining the captivity narratives of Mary Rowlandson Hannah Dustan Hannah Swarton and John Williams who comes to stand in for the female captive Toulouse asserts the need to read these gendered texts as cultural products that variably engage shape and confound colonial attitudes toward both Europe and the local scene in Massachusetts In doing so *The Captive's Position* offers a new story of the rise and breakdown of orthodox Puritan captivities and a meditation on the relationship between dreams of authority and historical change **Now You're Speaking My Language** Gary Chapman,2014-01-01 *Now You're Speaking My Language* from multimillion selling author Gary Chapman *The Five Love Languages* encourages husbands and wives to offer steadfast loyalty forgiveness empathy and commitment to resolving conflict thus encouraging each other in spiritual growth With great clarity Dr Chapman shows how communication and intimacy are key points in developing a successful marriage by focusing on these principles Lasting answers to marital growth are found in the Bible Your relationship with God enhances your
