Löfgren,2002 August Strindberg 1849 1912 was one of the great innovators of modern drama as well as a novelist poet and master of the Swedish language In this collection Selected Poems of August Strindberg editor and translator Lotta M Lofgren has chosen poems from all three volumes of Strindberg s verse Poems in Verse and Prose Sleepwalking Nights on Awake Days and Word Play and Minor Art to illustrate to the English speaking reader the development strengths and versatility of Strindberg the poet Lofgren explains Although August Strindberg is internationally acknowledged as a pioneering realist expressionist and surrealist playwright his poetry is still relatively unknown outside Sweden The only English translation of his poems to date is the 1978 translation of Sleepwalking Nights by Arvid Paulson that gives an incomplete and misleading picture of Strindberg s poetry Lofgren s translation seeks to correct that picture Strindberg s stature as a dramatist alone may be adequate justification for offering a translation of his verse but his poetry stands well on its own All three volumes broke new ground and paved the way for younger generations of poets Lofgren hopes that her translation will not only introduce Strindberg s verse to English speaking readers but will also inspire other scholars to revisit his poetry and give it the attention it deserves Selected Poems of August Strindberg received the American Scandinavian Foundation s Translation Prize **August Strindberg - The Red Room** August Strindberg,2014-03-17 Johan August Strindberg was born on January 22nd 1849 in Stockholm in Sweden It was only at the age of 32 that Strindberg managed to break through as a playwright with Master Olef Of course with a predecessor as famous as Henrik Ibsen overshadowing everything it was difficult perhaps to make headway However Stringberg took to the task exploring a wide range of styles experimenting at every opportunity and with The Red Room wrote what is lauded as the first modern Swedish novel His career spanned some 60 plays and another 30 novels and associated texts Whilst he was prolific writer he was also something of a polymath a telegrapher theosophist painter photographer and alchemist Much of the 1890 s was spent abroad but several psychotic attacks between 1894 to
