Strays (Dog Tags #2) C. Alexander London, 2013-08-27 Man's best friend goes to war Chuck and Ajax are partners and they're good at their job Chuck leads Ajax through the jungles of Vietnam and Ajax sniffs out hidden deadly traps before they can hurt US soldiers The war is almost over now and the Army is grateful for Chuck's service They want to give him a medal But their plans for Ajax are less noble Suddenly Chuck is forced to answer two impossible questions Is his loyalty to Ajax or to the US Army And just how far is he willing to go to protect his partner DOG TAGS is a series of stand alone books each exploring the bond between soldier and dog in times of war

Jarhead Anthony Swofford, 2005-11-11 Anthony Swofford's Jarhead is the first Gulf War memoir by a frontline infantry marine and it is a searing unforgettable narrative When the marines or jarheads as they call themselves were sent in 1990 to Saudi Arabia to fight the Iraqis Swofford was there with a hundred pound pack on his shoulders and a sniper's rifle in his hands It was one misery upon another He lived in sand for six months his girlfriend back home betrayed him for a scrawny hotel clerk he was punished by boredom and fear he considered suicide he pulled a gun on one of his fellow marines and he was shot at by both Iraqis and Americans At the end of the war Swofford hiked for miles through a landscape of incinerated Iraqi soldiers and later was nearly killed in a booby trapped Iraqi bunker Swofford weaves this experience of war with vivid accounts of boot camp which included physical abuse by his drill instructor reflections on the mythos of the marines and remembrances of battles with lovers and family As engagement with the Iraqis draws closer he is forced to consider what it is to be an American a soldier a son of a soldier and a man Unlike the real time print and television coverage of the Gulf War which was highly scripted by the Pentagon Swofford's account subverts the conventional wisdom that U S military interventions are now merely surgical insertions of superior forces that result in few American casualties Jarhead insists we remember the Americans who are in fact wounded or killed the fields of smoking enemy corpses left behind and the continuing difficulty that American soldiers have reentering civilian life A harrowing yet inspiring portrait of a tormented consciousness struggling for inner peace Jarhead will elbow for room on that short shelf of American war classics that includes Philip Caputo's A Rumor of War and Tim O'Brien's The Things They Carried and be admired not only for the raw beauty of its prose but also for the depth of its pained heart

Dog Tags Ginger Cucolo, 2013-01-01 The 100 year anniversary of the official use of American military personal identity tags affectionately known as Dog Tags recently passed without fanfare We are currently in a war where the Dog Tag is once again a highly personal item to warriors in every service and their families Each Dog Tag carries its own human interest story Receiving it hanging it around the neck and feeling it is at once a silent statement of commitment The tag itself individualizes the human being who wears it within a huge and faceless organization The armed forces demand obedience commitment and duty to a higher cause but the Dog Tag which hangs privately within their shirts close to their chests becomes a part of them In a way it brings comfort to that fear of every Soldier facing death I do not want to be forgotten I will not be unknown Understanding

War Flower Brooke King,2019-03-01 Brooke King has been asked over and over what it s like to be a woman in combat but she knows her answer is not what the public wants to hear The answers people seek lie in the graphic details of war the sex death violence and reality of it all as she experienced it In her riveting memoir War Flower King breaks her silence and reveals the truth about her experience as a soldier in Iraq Find out what happens when the sex turns into secret affairs the violence is turned up to eleven and how King s feelings for a country she knew nothing about as a nineteen year old become more disturbing to her as a thirty year old mother writing it all down before her memories fade into oblivion The story of a girl who went to war and returned home a woman War Flower gathers the enduring remembrances of a soldier coming to grips with post traumatic stress disorder As King recalls her time in Iraq she reflects on what violence does to a woman and how the psychic wounds of combat are unwittingly passed down from mother to children War Flower is ultimately a profound meditation on what it means to have been a woman in a war zone and an unsettling expos on war and its lingering aftershocks For veterans such as King the toughest lesson of service is that in the mind some wars never end even after you come home
