

Dog Owner Responsibility

Keep your dog's vaccinations up to date. Over-vaccination can be a concern for pet owners, but rabies, distemper, and parvo vaccines are required as is Bordetella if you plan on boarding your dog.

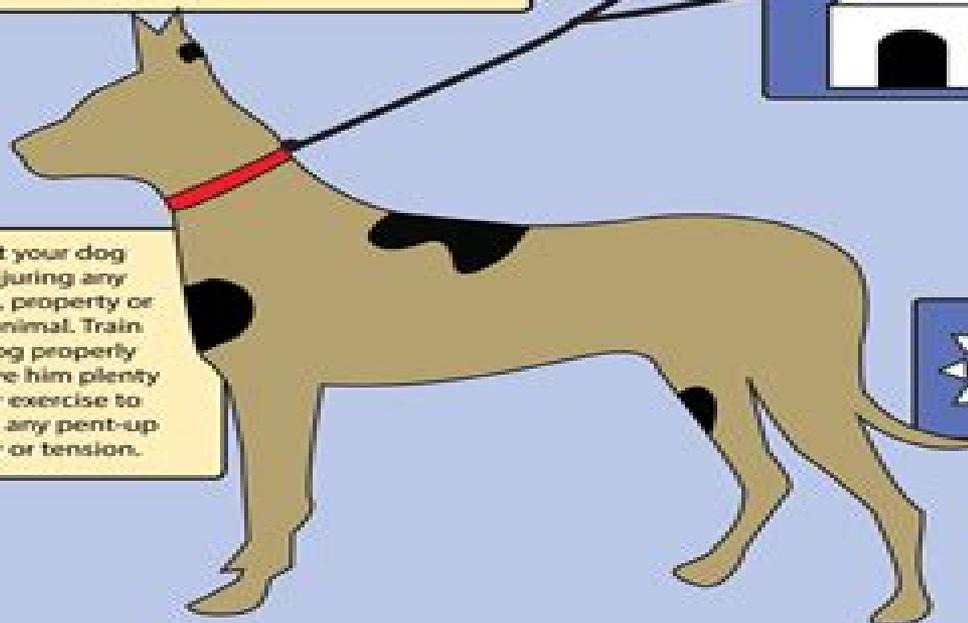

Keep the dog house in the shade in the summer and provide the house with straw in the winter. Straw keeps the heat in side and keeps the dog dry and warm. Do not use blankets as they can become damp, wet, and make your dog even colder.

Prevent your dog from injuring any person, property or other animal. Train your dog properly and give him plenty of daily exercise to release any pent-up anxiety or tension.

Do not confine your dog in a vehicle in extreme (hot or cold) weather.

Keep your dog leashed when off your property unless you are within the off-leash exercise areas in parks where dogs are allowed. Not keeping your dog leashed can result in fines. If a fight occurs, while off leash your dog is most likely to be blamed and could potentially be taken away from you.

Clean up after your dog and adequately dispose of their droppings.
