Chronicles is an historical account of the nation of Israel, beginning with Adam and ending with King Cyrus, allowing the reader to see Judah's return to their land. There is a significant emphasis on King David, Solomon's construction of the temple, followed by the gradual decline of the kings of Judah, finally leading to exile.

The author wrote these books to the returning exiles of Judah, to remind them of their history and to build spiritual foundations, and reveals the starting of the kings to show the importance of God's covenant through preserving, with disobedience leading to exile.
