Dye,2024-07-02 Oh Posterity You will never know how much it cost the present generation to preserve your freedom I hope you will make a good use of it If you do not I shall repent in heaven that I ever took half the pains to preserve it John Adams April 26 1777 Amidst the political divisions that exist today many Americans believe the Founding Fathers would roll over in their graves if they saw what posterity did with their divine creation Oh Posterity What Have You Done explores what the Founding Fathers might say to us if given the opportunity in this piece of historical fiction Is modern America anything close to what they intended Have twenty first century Americans forgotten who they were and subsequently who we are Have we lost our way and what will it take to get us back on track and in the good graces of the Almighty Follow God s new messenger William Justice Freeman as he is charged by Providence with the task of breathing new life into the founding generation s words in the hopes of saving the country Starting on January 6 2021 and ending on July 2 2024 prior to an election that could be a turning point in the cause of human freedom see what the Founders think of modern America as they are given the opportunity to live among us for three years culminating in eight thought provoking interviews with Mr Freeman Do they believe America can be saved Why is individual free will so important to the Almighty Are freedom and democracy synonymous or has posterity forgotten what the principle of freedom even means Can Americans regain a connection to the revolutionary generation and understand what they gave us some 250 years ago Join William Freeman as he attempts to wake America up to its forgotten purpose in the world
