A Preach Well Church Josh Taylor,2023-04-12 Thirty eight percent of pastors have given serious thought to leaving full time ministry in the last year Between the COVID 19 pandemic and the unpredictable never done work of the ministry is it any wonder that many pastors have contemplated resigning Add to this church members unrealistic expectations and a knack for criticism and we see the toll this has taken on pastors and in one area in particular preaching Empty preachers are filling pulpits Is there anything church members can do to help their pastors with burnout and the essential stress of preaching week in week out After extensive research on the subject ninety seven pastors were asked What can your church members do to help you preach well Each chapter in this book is a commitment a clear concrete action developed from the study that church members can take to help their pastors preach well Each chapter also includes a section entitled A Word to Pastors that offers encouragement to those in ministry to help reduce their stress and become better preachers Talking God

Albert Cutié,2016-04-10 What does it mean to preach to a 21st century congregation Today's church has a digital dilemma We live in an age where new media is inescapable yet many still perceive these new forms of communication as either an unmanageable challenge or at odds with the mission of the church Clergy and lay leaders alike can be at a loss as to what methodologies practices and adjustments are necessary to engage today's congregations How can we effectively meet the challenges of our present context In Talking God Fr Cuti whose wide following spans both traditional and new media starts where preaching the gospel has always started with a preacher and an audience and examines the challenges digital communications pose to all involved in the craft of preaching including the way contemporary audiences receive and listen to the message preached Is the 21st century church responding to this evolution by seeking to understand the present day listening context and the often overwhelming media culture in which it is called to preach Must preachers and teachers of the Word of God evolve in style and practice to continue being effective communicators of the gospel Has the world changing around us changed our methodology or even our message **Expository Preaching in Africa** Ezekiel A.

Ajibade,2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures In Expository Preaching in Africa Ezekiel A Ajibade engages this challenge directly offering practical techniques for integrating African oral elements such as myths proverbs folklore dance drama poetry and storytelling into preaching that is both biblical and African Alongside numerous examples and tools Ajibade provides a rich overview of the nature of orality the

history and development of African preaching and the reason biblical exposition must be central to gospel proclamation He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations Contextualized expository preaching is not therefore one technique to be utilized among many it is rather the heart of biblical teaching and the future of the African church While contributing significantly to studies in contextualization and homiletics this book is immediately applicable to practitioners especially African preachers and those working in oral contexts
