## And Again:

Again. Again and Again. Mathias B. Freese, 2022-03-29 Having once been a psychotherapist who s never hesitated to turn the therapeutical gun barrel toward himself Mathias B Freese ramps up his radical reflexivity in this latest work from confessional first person narration to third person stories starring characters named Matt This genre could be called meta Matt I write to know perhaps something about who I am Freese writes I write to arrive at some awareness however dim about self or other for when I have that fleeting moment of awareness I feel at one true Truly Again Again and Again is a song of himself Rocker Billy Idol proves to be an unlikely but apt echoer here When there s nothing to lose and there s nothing to prove well I m dancing with myself As a one man show Freese puts the dance in abundance stressing an author s singularity the innerness of writing the sharing rather than the proselytizing purpose of artistic expression In other words as Freese says a book is one person s awareness as he or she sees it More than a few times Freese had implied that Again Again and Again would probably be his swan song his final stirrings his ultimate testament How laughable considering both his prolificacy and urge and urge and urge as Whitman would gush Sure enough the author is no longer so sure that he s expressed enough and it seems that yet another stirring idea spurs him to create again Again and **pt.
