**And Sandpipers She Said** Donald Junkins,1970 *Sandpiper* Ellen Wittlinger,2012-06-26 You shouldn't expect much of him He's he's damaged Damaged What a horrible word Like a car after a wreck It was how I'd been feeling myself Slightly ruined a big mess Lately there have been a lot of guys in Sandpiper's life In the past year she's gone through eight or nine different boyfriends if you can call them that She knows the boys are only using her for one thing but she is using them too The Walker is different from the others He is kind and gentle Mysterious And most of all he is the first guy who doesn't want Sandy for all the usual reasons In fact she's not sure if he wants her for any reason But she knows she wants to be around him He makes her feel safe when all the other parts of her life like her family and friends just make her feel awful And when one of Sandy's exes starts harassing her the Walker may be the only person who can help Sandy confront her uneasy past and steady herself for a different future [Go Gently, Sandpiper...
