*Lifework* Moran Sheleg, 2024-07-23 Following the critical scepticism surrounding the notion of the self as a singular entity during the 1960s many artists and writers sought to test the apparent problem posed by autobiography as both a traditional genre and as a way of working Considering the consequent emergence of autotheory Lifework traces this shift in artistic and literary production during the late twentieth century and beyond examining a set of diverse practices that mine the line between what it is to make art and what it is to live life The book's chapters connect a variety of artistic strategies that cut across medium geography and time uncovering how the historical marginalisation of first person experience has taken on larger social cultural and political implications in the contemporary moment and how the work of living might still relate to the work of art      *Cunt - Adult Swear Word Coloring Book* Funny Publishing, 2019-10-24 CUNT Laugh your ass off as you unwind This adult swearing coloring book has over 20 coloring pages with hilariously funny vagina synonyms and
