LeRoy Lawson, 1984 *Clueless in Galilee* Mac Barron, 2018-10-19 **READER ALERT** Three things to know about this book before you buy it 1 If you can't handle jokes about Jesus being cranky when he was hungry turn back now 2 If you think that the disciples were perfect men prepare to be disillusioned 3 If you think Jesus only has really smart and gifted people for friends guess again Are you up for a crazy ride through Scripture Do you want to be in on the jokes and the hidden treasures in many of the passages you thought you knew by heart Do you want to see how despite the inevitable weaknesses of our human nature God has a plan for us If you said yes then this book is for you In *Clueless in Galilee A Fresh Take on the Gospels* author Mac Barron assures us that Jesus loves us even though we're human We know this because the Bible says so Over and over and over again With its hilarious sometimes irreverent and always humble reflections this book will make you laugh and help you look at the Bible and yourself in a whole new way Funny and off kilter in the best way Mac Barron will help you look with fresh eyes at people in the Bible you thought you knew and discover that they were all too human Bishop Robert Reed The CatholicTV Network **ABOUT THE AUTHOR** Mac Barron grew up in South Georgia met his wife at church camp and taught for twelve years before becoming a high school librarian Along the way he and his wife became Catholic and they host the award winning podcast *Catholic in a Small Town* Mac lives with his wife four sons and his golden retriever in a small town **Look—I Am With You** Dale Goldsmith, 2015-09-24 You are writing a new chapter in the story of your life It's called the college experience There is so much that will go into your chapter new friends new experiences new ideas leaving the past planning for the future encountering wonderful surprises and dealing with possible failures You may find an unexpected variety of challenges to your Christian faith The daily devotions in this volume offer several resources to help you cope with those challenges The biblical writers found solutions to their lives as Christian disciples These meditations invite you to bring your college experience into conversation with their writing and with Jesus Christ Here is help for you to write your college chapter right in the midst of God's love and support in the presence of Jesus Christ Lord and Teacher **Adventures of an Itinerant Imagination** Bernard Brandon Scott, 2025-06-25 John Dominic Crossan is the most important scholar on the historical Jesus since David Fredrick Strauss in the nineteenth century Both his scholarly *The Historical Jesus The Life of a Mediterranean Jewish Peasant* 1991 and the more popular *Jesus A Revolutionary Biography* 1994 made the bestsellers list But the scope of his work goes well beyond the historical Jesus to studies on the death of Jesus and anti-Semitism Christianity and empire archaeology the apostle Paul the Pharisee and recently apocalyptic and the environment He addresses both scholarly and popular

audiences ancient sources and contemporary concerns The essays in this volume explore and access the range of his work for his various audiences Some of the essays are scholarly in tone while others are quite personal A feature of this book is Crossan s complete curriculum vitae Proclaiming the Parables Thomas G. Long,2024-03-12 In Proclaiming the Parables noted preacher and scholar Thomas G Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways Preaching and the Literary Forms of the Bible Thomas G. Long,1989 Long argues that the literary form and dynamics of biblical texts can and should make a difference in the kinds of sermons created from those texts not only because of what the texts say but because of how they say it He presents a methodology for taking the literary characteristics of biblical texts into account in the text to sermon process and then applies that methodology in separate chapters on preaching on psalms proverbs narratives parables and epistles
