Creative Camera Control:

Creative Camera Control Peter Laytin,1996 Designed for beginning and intermediate photographers and for those who have recently acquired a camera this book contains easy to follow narrative that presents a step by step approach to photography that leads photographers to a level of growing confidence that allows for creative decision making

Photography Peter Laytin,1993 **Master Your Camera Controls** Darren Tilnak (M.Photog) P.I.P.P,2021-06-08

Making photography simple is the best way to describe this book This first book in the series is a simple step by step guide to give you the confidence to shift away from auto settings on your camera A fast track system to using full manual mode using the four main camera controls This will teach you creative control and to capture the scene exactly the way you see it as opposed to the camera automatically deciding how to take the photo **Creative Camera Control** Peter Laytin,2013-02

The Creative Camera Nancy Howell-Koehler,1989 Creative School Control Philip Wescott Lawrence Cox,1927

Creative Camera ,1999 **Creative Shutter Speed** Derek Doeffinger,2011-02-23 A unique guide to creative shutter speed techniques illustrated with striking full color examples Along with available light and aperture shutter speed is one of the variables that determine exposure the amount of light that reaches the camera s sensor Set on automatic modes cameras typically attempt to reduce or eliminate blur in a picture But by manipulating shutter speed creatively photographers can achieve a range of striking motion blur or stop action effects Using an array of inspiring photographs depicting people wildlife and landscapes *Creative Power of Shutter Speed* explains how to read the light and movement in a potential photograph and identify the best shutter speed for the desired effect Shot Doctor,The Mark Edward Soper,2009-05-22

The Shot Doctor is a new kind of digital photography book that focuses on the how to and less on the how it works or the technology behind the camera This book is designed to be small enough to fit in your back pocket or in a camera bag It is aimed at everyday parents students sporting enthusiasts and average joes who just want to take decent pictures at their kids soccer games and dance recitals and who don t aspire to make digital photography a hobby Easy to follow when why how recipes help you set your camera to get great shots right away Beautiful full color interior Step by step instructions for conquering everyday photography challenges including sporting events school recitals and performances vacations babies children and special events Simple explanations of camera controls help you understand when to use them why they work and how to use them Compact stays open design means you can carry it everywhere and refer to it while you re taking pictures Visual before and after examples of common photography problems help you choose the right solution for your photography challenges Mark Edward Soper has been using adjustable cameras since 1971 and digital cameras since 2000 for a total of more than 37 years as an enthusiastic and serious amateur photographer Mr Soper s when why how approach to photography which combines picture based methods take a picture change settings see how the picture improves has been tested through years of teaching photography as well as by the hundreds of photographs he has taken for many of his books
