Comparative Democracy

Alfred C. Stepan

Comparative Democracy:

Comparative Democracy and Democratization Howard J. Wiarda, 2002 This text provides students and scholars with a sense of the distinct philosophies and political cultures that can shape different forms of democracy Wiarda covers the theoretical and political cultural bases of democracy explaining why democracy thrives or fails to take root in different societies Unique in its coverage this book is an invaluable text for any course that considers comparative democracy or transitions to democracy

Comparative Politics John T. Ishiyama, 2011-03-01 By revealing the contextual conditions which promote or hinder democratic development Comparative Politics shows how democracy may not be the best institutional arrangement given a country's unique set of historical economic social cultural and international circumstances Addresses the contextual conditions which promote or hinder democratic development Reveals that democracy may not be the best institutional arrangement given a country's unique set of historical economic social cultural and international circumstances Applies theories and principles relating to the promotion of the development of democracy to the contemporary case studies

Comparative Democracy Gregory M. Luebbert, 1986 Develop several models of democratic politics and a model of party leadership behavior by scrutinizing cases of government formation in the Weimar Republic the Federal Republic of Germany Iceland Belgium the Netherlands Norway Sweden Denmark Finland Israel and Italy to better understand how party coalitions are formed and how they govern within democracies

Rethinking the Value of Democracy Renske Doorenspleet, 2018-07-21 This book is the first comprehensive analysis of the instrumental value of democracy in a comparative perspective Based on extensive analyses of quantitative studies from different disciplines it explores both the expected beneficial and harmful impact of democracy Democracy's reputation as delivering peace and development while controlling corruption is an important source of its own legitimacy Yet as this book acutely demonstrates the arguments tend to be normatively driven interventions in ideologically charged policy debates The book argues that we need neither a utopian framing of democracy as delivering all good things in politics nor a cynical one that emphasizes only the dangerous underbelly of this form of government The author also raises critical questions about the value of the study of democracy the choice for particular concepts and measures the unknown mechanisms and the narrow focus on specific instrumental values This volume will be necessary reading for anyone interested in debates on democracy in the contemporary global context

Principles of Comparative Politics William Roberts Clark, Matt Golder, Sona Nadenichek Golder, 2013 The groundbreaking first edition of Principles of Comparative Politics offered the most comprehensive and up to date view of the rich world of comparative inquiry research and scholarship Now this thoroughly revised second edition offers students an even better guide to cross national comparison and why it matters The new edition retains its focus on the enduring questions with which scholars grapple the issues about which consensus has started to emerge and the tools comparativists use to get at the complex problems in the field Improving organization and integrating the latest scholarship important changes include A new

Varieties of Dictatorship chapter Clearer headers signaling coverage of authoritarian regimes and new sections highlighting resources on the study of authoritarianism An expanded program of world maps showing key attributes of national political systems Reorganization of the What is Science chapter with a focus on the scientific method and reduced emphasis on Mill's Methods A streamlined Problems with Group Decision Making chapter that focuses on government formation and collapse as a principle agent problem Timely analysis of developments in the Middle East as part of the Democratic Transitions chapter including an examination of the use of coordinating devices and differences within the region focusing on outcomes and coalitions Updates for current events including coverage of late Bush and Obama era policies war in Somalia the intervention in Libya and more The book's outstanding pedagogy includes chapter opener overviews bolded key terms and a marginal glossary more than 250 tables and figures numerous photos and maps end of chapter problem sets and new works cited and country specific bibliographies

Comparative Democratic Politics Hans Keman, 2002-03-26 Democracy is the most widely used way of organizing politics in the contemporary world Comparative Democratic Politics brings together a team of renowned international scholars to provide a comprehensive review of theory and research in this essential area of comparative study A key aim to the book is to introduce and understand representative democracy as a political process and contemporary system of governance in need of constant attention and scrutiny Four important themes include the contribution of comparative politics as a distinct field within political science to our understanding of democracy democratic politics and democratic theory what we can learn from a comparative analysis of the role functioning and behaviour of the principal actors electorate parties and institutions across nations the relationship between politics and public policy formation and processes of democratic decision making and corresponding policy making capacity how we measure contemporary democracy or democratic performance in both a procedural and material sense Comparative Democratic Politics will afford new and important insights to the contemporary study of representative democracy It will be essential reading for all students and academics of political science and public policy seeking a deeper understanding of both the world's so called established and emerging democracies

Democracy in Plural Societies Arend Lijphart, 1977-01-01 While it may be difficult to achieve and maintain stable democratic governments in countries with deep religious ideological linguistic cultural or ethnic cleavages Lijphart argues that it is not at all impossible Through the analysis of political systems in six continents he demonstrates that what he calls consociational democracy can be successful in severely divided or plural societies Here once again Arend Lijphart is directing our attention to matters which will surely engage much of the attention of students of comparative politics in the next decade G Bingham Powell Jr American Political Science Review A study which can speak to such a wide audience in political science deserves a warm welcome from the profession Government and Opposition A copybook example of the comparative method of political analysis as well as indispensable reading for all who have an interest in the nature and prospects of representative democracy whether in Europe or beyond The Times Higher

Education Supplement This well written work containing a wealth of information on politics of many diverse nations is highly recommended Library Journal

Comparative Democracy Gregory M. Luebbert, 1986

Comparative International Politics of Democracy Promotion Jonas Wolff, Hans-Joachim Spanger, Hans-Jürgen Puhle, 2013-09-11 Though scholarly attention to democracy promotion is increasing there is still little comparative and theoretically based work on the protagonists of democracy promotion This book investigates the motives that drive democracy promotion in a comparative and theoretically oriented manner exploring how democracy promoters deal with conflicting objectives and the factors that shape their behaviour It also addresses the more policy oriented debate on the contemporary challenges to democracy promotion focusing on US and German policies towards three kinds of challenges the emergence of radical leftist governments in Bolivia and Ecuador the political rise of Islamist movements in Turkey and Pakistan and the consolidation of semi authoritarian rule in Belarus and Russia In each case North Western democracy promoters have been confronted with serious conflicts of objectives between security economic interests and democracy promotion The analysis and comparison of such situations in which democracy promoters have to deal with competing objectives and make tough decisions provides powerful evidence as to the factors that shape democracy promotion The Comparative International Politics of Democracy Promotion will be of interest to students and scholars of international relations comparative politics democratization studies and foreign policy

Democracy, Law, and Comparative Politics Guillermo A. O'Donnell, 2000

Arguing Comparative Politics Alfred C. Stepan, 2001 This volume brings together new and classic articles by one of the leading scholars in comparative politics The articles focus in particular on the nature of contemporary democracy and its prospects The volume begins with a personal analysis of the intellectual and often political reasons why and how Stepan chose to engage in certain critical arguments over the last thirty years The volume is then divided into three sections each with a distinctive theme state and society constructing polities and varieties of democracies The introduction and articles ask whether both for intellectual and political reasons there are strong grounds for questioning both Rawls and Huntington on religion and democracy Riker on federalism and Gellner on multinationalism The volume contains articles on civil society political society economic society the military and a usable state The possibility of multiple and complementary political identities is argued for The incentive systems and political practices of the three macro constitutional frameworks for democratic government parliamentarism presidentialism and semi presidentialism are compared and contrasted

Parties, Governments and Elites Philipp Harfst, Ina Kubbe, Thomas Poguntke, 2017-04-26 Parties governments and elites are at the core of the study of democracy The traditional view is that parties as collective actors play a paramount role in the democratic process However this classical perspective has been challenged by political actors observers of modern democracy as well as political scientists Modern political parties assume different roles contemporary leaders can more heavily influence politics governments face new constraints and new collective bodies continue to form propose new ways of

participation and policy making and attract citizens and activists In the light of these observations the comparative study of democracy faces a number of important and still largely unsolved questions that the present volume will address

Democracy and Democratization in Comparative Perspective Jørgen Møller, Svend-Erik Skaaning, 2012-12-20 This book provides an introduction to democratic theory and empirical research on democracy and democratization The book first examines conceptions of democracy from the origins in ancient Greece to the present day then tracks when and where modern democracy has developed On this basis the book reviews the major debates and schools of thought dealing with domestic and international causes and consequences of democratization Based on a systematic distinction between minimalist and maximalist definitions of democracy the book provides a comprehensive and critical assessment of existing theories Furthermore using a comparative historical perspective it not only sketches the development in the conceptions of democracy and the corresponding empirical reality but also discusses whether causal relationships differ across periods Finally the book documents the way in which all of this has been reflected by the development within the literature In doing so the book offers a coherent framework which students and scholars can use to grasp the literature on democracy and democratization as a whole *Democracy and Democratization in Comparative Perspective* will be of interest to students of political science democracy and democratization comparative politics political theory and international relations

Democratization Dirk Berg-Schlosser, 2007-08-22 Problems of democratization its successes failures and future prospects belong to the most pressing concerns of our times Empirical democratic theory has received many new impulses since the last wave of democratization in Latin America Eastern Europe Africa and Southeast and East Asia In this volume the state of the art in this respect is discussed by leading international experts in this field including Laurence Whitehead Gerardo Munck Axel Hadenius and Juan Linz From the contents Some significant recent developments in the field of Democratization Concepts measurements and sub types in Democratization Research Agendas findings challenges Successes and failures of the new democracies Some thoughts on the victory and future of democracy

The New Millennium: Challenges and Strategies for a Globalizing World Sai Felicia Krishna-Hensel, 2017-11-22 This title was first published in 2000 An important look at the complexity of the challenges faced by the international system at the beginning of the new millennium The shape of the New World Order is being driven largely by forces unleashed through factors such as economic globalization and technological development The book emphasizes the importance of interdisciplinary analysis in order to understand the extent and diversity of the factors which condition the dynamics of this transformation Essential reading for students of human rights security finance and technology

The American Exceptionalism Revisited Marcello Fantoni, Leonardo Morlino, 2016-02-26T00:00:00+01:00 When looking at the US from a European perspective a sort of paradox immediately emerges On the one hand the American way of life has been penetrating in depth our everyday life and even more our Western culture through the music the movies the literature and all possible consumerist habits But on the

other hand all recurrent statements have been emphasizing the American exceptionalism of political institutions that is how different and distant the North American institutions are from the European ones with regards to the government leadership the relationships between existing powers the connections with the citizens and even the very notion of democracy This book will not analyze the reasons of such exceptionalism It addresses a more salient and up to date question how much exceptionalism is today still present if we compare US democratic institutions to the European ones In other words has there been a convergence or are the differences still very strong and accentuated And if there has been convergence in what directions Or if resilient divergences on what aspects Moreover how to explain the convergence if there has been one

Democratic Theory and Causal Methodology in Comparative Politics Mark I. Lichbach, 2013-08-06 Barrington Moore bequeathed comparativists a problem how to reconcile his causal claim of no bourgeoisie no democracy with his normative dream of a free and rational society Lichbach harmonizes causal methodology and normative democratic theory illustrating their interrelationship Using a dialogue among four specific texts Lichbach advances five constructive themes First comparativists should study the causal agency of individuals groups and democracies Second three types of collective agency should be paired with an exploration of three corresponding moral dilemmas ought is freedom power and democracy causality Third at the center of inquiry comparativists should place big P Paradigms and big M Methodology Fourth as they play with research schools creatively combining prescriptive and descriptive approaches to democratization they should encourage a mixed theory and mixed method field Finally comparativists should study pragmatic questions about political power and democratic performance in building a democratic state which democracy under which conditions is best and how might it be achieved

Comparative Politics of Latin America Daniel C. Hellinger, 2014-11-27 Students will explore and understand the evolutions and revolutions that have brought the region to where it is today in the fully updated new edition of Daniel Hellinger's Comparative Politics of Latin America This text offers a unique balance of comparative politics theory and interdisciplinary country specific context of a thematic organization and in depth country case studies of culture and economics of scholarship and pedagogy No other textbook draws on such a diverse range of scholarly literature to help students understand the ins and outs of politics in Latin America today Insightful historical background in early chapters provides students with a way to think about how the past influences the present However while history plays a part in this text comparative politics is the primary focus explaining through fully integrated detailed case studies and carefully paced analysis such concepts as democratic breakdown and transition formal and informal institutions the rule of law and the impact of globalization Country specific narratives integrate concepts and theories from comparative politics leading to a richer understanding of both Several important features of the 2nd edition ensure student success Substantially reorganized text now with 16 chapters Focus Questions at the start of every chapter For Review boxes interspersed in every chapter to ensure comprehension New Punto de Vista boxes in every chapter showcasing competing perspectives on democratization

and development throughout the region Country locator maps spread throughout the book to help students orient themselves in the region Democracy Snapshot graphics show support for democracy in each Latin American country Bolded key terms focus attention on important concepts and a glossary at the end of the book provides a useful reference Discussion questions and Further Resources at the end of each chapter Integrated case studies on most countries in the region A companion website <http://www.routledge.com/cw/hellinger> with discussion questions and other useful study aids

Democratic Paths and Trends Barbara Wejnert, 2010-07-16 Presents the issues of democratic trends This title addresses worldwide changes and developments of democratization from historical and contemporary perspectives It also presents discourses on the diffusion of democracy paths of democratic transitions worldwide trends towards democratization as well as discussion about democracy in retreat

Comparative Politics of Latin America Daniel C. Hellinger, 2011-03-07 This text offers a unique balance of comparative politics theory and interdisciplinary country specific context of a thematic organization and in depth country case studies of culture and economics of scholarship and pedagogy No other textbook draws on such a diverse range of scholarly literature to help students understand the ins and outs of politics in Latin America today The insightful historical background in early chapters provides students with a way to think about how the past influences the present However while history plays a part in this text comparative politics is the primary focus explaining through detailed case studies and carefully paced analysis such concepts as democratic breakdown and transition formal and informal institutions the rule of law and the impact of globalization Concepts and theories from comparative politics are well integrated into country specific narratives and vice versa leading to a richer understanding of both Several important pedagogical aids foster student learning Learning objectives at the start of every chapter Learning checkpoints interspersed in chapters to ensure comprehension Bolded key terms focus attention on important concepts Glossary at the end of the book provides a useful reference Discussion questions at the end of each chapter Integrated case studies on most countries in the region A companion website with practice quizzes and other useful study aids

Comparative Democracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Comparative Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Comparative Democracy has opened up a world of possibilities. Downloading Comparative Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Comparative Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Comparative Democracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Comparative Democracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Comparative Democracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Comparative Democracy has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Comparative Democracy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Comparative Democracy is one of the best book in our library for free trial. We provide copy of Comparative Democracy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Comparative Democracy. Where to download Comparative Democracy online for free? Are you looking for Comparative Democracy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Comparative Democracy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Comparative Democracy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Comparative Democracy. So depending on what exactly you are searching, you will be able to choose e books to suit your

own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Comparative Democracy To get started finding Comparative Democracy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Comparative Democracy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Comparative Democracy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Comparative Democracy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Comparative Democracy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Comparative Democracy is universally compatible with any devices to read.
