1988 World Series:

The 1988 Dodgers K. P. Wee, 2018-08-24 When most baseball fans think back to the 1988 World Series between the Los Angeles Dodgers and Oakland Athletics they probably remember Kirk Gibson's dramatic home run off Dennis Eckersley, Orel Hershiser's shutout streak and dominant postseason pitching that got them there or perhaps the fact that it remains to this day the last World Championship for the Dodgers. In *The 1988 Dodgers: Reliving the Championship Season* K P Wee tells the story of this incredible year. More than just Gibson or Hershiser, the team's success came from a true collective effort in which all 25 players on the roster made significant contributions throughout the season. Featuring dozens of interviews with players including those lesser known Dodgers who were just as important to the team as the stars, coaches, scouts and general manager Fred Claire Wee provides a refreshing view of the 1988 season, sharing personal stories and little known anecdotes told to him by the players and staff. The players also reflect on the importance of the entire team that season, their careers following the World Championship and life after baseball, giving readers a complete inside look at a season and team to remember.

The Sports Hall of Fame Encyclopedia Dave Blevins, 2011-12-23 In 1936 the Baseball Hall of Fame was established to honor the legends of the sport. The first inductees were some of the greatest names of the dugout including Ty Cobb and Babe Ruth. Less than ten years later in 1945 the Hockey Hall of Fame inducted its first members. The Soccer Hall of Fame was established in 1950, followed by the Basketball Hall of Fame in 1959 and the Football Hall of Fame in 1963. In all more than 1,400 inductees, players, teams and behind-the-scenes personnel have been enshrined in these five halls of fame. The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame. From Hank Aaron to Fred Zollner, this book contains biographical information, sport and position played, and career statistics when applicable of each of the more than 1,400 honorees. The book also includes specific appendixes for each shrine in which inductees are listed alphabetically and by year of induction. Also included are appendixes briefly describing the history of each hall of fame.

The Sports Hall of Fame Encyclopedia David Blevins, 2012 Provides a comprehensive listing including biographical information and statistics of each athlete inducted into one of the major sports halls of fame.

The 50 Greatest Dodgers Games of All Time J.P. Hoornstra, 2015-05-28 The Dodgers have played more than 10,000 games as a franchise. Their 50 greatest games span two coasts and three centuries worth of baseball. They include a doubleheader that lasted six and a half innings combined, a single game that featured three teams on the field, a game in which the Dodgers didn't record a hit and won, the games in which the single season and career home run records were broken, three perfect games and two no-hitters, the longest game in major league history, the first major league game ever televised, a game in which the Dodgers' pitcher lost consciousness on the field, an exhibition game that drew 93,103 spectators, the first integrated game in major league history. *The 50 Greatest Dodgers Games* features all the best players to don the uniform: Sandy Koufax, Jackie Robinson, Kirk Gibson, Zack Wheat, Fernando Valenzuela, Orel Hershiser, Duke Snider.
