Paradox of a Crime Thomas C. Rank Ph.D.,2024-10-25 Early Saturday morning the Racine Wisconsin 911 call center received a call of a disturbance at a local marina The dispatchers could barely hear the caller and he wouldn t answer their questions They listened to the caller s conversation for several minutes before deciding to send a patrol to the scene The officers arrived at the marina and walked to the men s bathroom where the call was initiated They found the man who made

the call and asked what happened The caller Will Pratt explained there was a strange man in the bathroom requesting help from three men but wouldn't explain why The caller felt the situation was very odd and called 911 Mr Pratt went on to say the stranger left just a few minutes before the officers arrived The officers were skeptical of the situation since there was no evidence of a problem Mr Pratt had to agree with the officers and decided the whole thing was a practical joke As the officers were just about to leave a charter boat captain came up to the officers and asked if they had seen three men from his boat The next morning the three men were still missing and the case became official Detective Becky Low is assigned the case Her and the FBI's efforts over the next couple of weeks were futile Then three weeks to the day time and place the three men reappear not knowing they were gone With the men returning the case turned over to the FBI but Detective Low remained involved As progress was being made the three men were offered money by an anonymous person to drop the charges The case was now officially closed However Detective Low continued working the case off the books Detective Low's efforts expose a secret medical facility and a billionaire with political influence all the way to the president of the United States
