**Jesus and the Old Testament Roots of the Priesthood** John Bergsma,2021-01-29 Is there anything in the New Testament about the need for priests in the Church Many Protestants would argue no And if you point out that there is a priesthood in the Old Testament they are likely to say it was a feature of the Old Covenant that was undone by Christ How should a Catholic respond In Jesus and the Old Testament Roots of the Priesthood biblical scholar John Bergsma convinces readers that Jesus did in fact intend for a ministerial priesthood to be a key feature of the New Covenant Bergsma shows how the priesthood is a major thread holding together the biblical story line beginning with Adam's loss of the gift of priesthood in the Fall and the long process of restoring his descendants to a priestly status over the centuries culminating with Christ With chapter summaries and discussion questions included Jesus and the Old Testament Roots of the Priesthood can readily be adapted into a four part study for personal or small group use
