Calling Down Fire:

Reflections Caprynda Munyai, 2022-12-09 Reflections is a book about my 21 days journey through the Daniel fast how I reflected on the word of God and my encounters with God through this fasting *Spirit, Faith and Church* Laurence Lux-Sterritt, Claire Sorin, 2011-10-18 Contradictions are legion when it comes to women and spirituality In Christian cultures the worth of the female sex is highly ambivalent since virginity and motherhood are construed respectively as badges of purity and fruitfulness whilst the biological processes which underlie them are considered taboo or impure Throughout history women are in turn represented as inferior defective creatures or as privileged empty vessels in their relationship with the divine This polarized conception of woman has influenced the way in which religious institutions learned writers or indeed women themselves consider the female personal and collective relationship with the supernatural with the divine and with the institutions which represent it Through eleven original essays this volume questions how women from the English speaking world have negotiated their roles in the spiritual and religious spheres From early modern Catholics and Puritan groups to twenty first century nuns Anglican ministers and Mormons how did women define their roles in male dominated institutions How did they react to the public perceptions of their bodies as either incompatible with or facilitating access to the divine The questions at the core of this book hinge upon the articulation between the female self body and soul and its experience of the preternatural of faith and of institutionalized groups Are there specific forms of female spirituality and do they lead to a feminized feminist conception of God *Onward* Russell D. Moore, 2015-08-01 Christianity Today Beautiful Orthodoxy Book of the Year in 2016 Keep Christianity Strange As the culture changes all around us it is no longer possible to pretend that we are a Moral Majority That may be bad news for America but it can be good news for the church What is needed now in shifting times is neither a doubling down on the status quo nor a pullback into isolation Instead we need a church that speaks to social and political issues with a bigger vision in mind that of the gospel of Jesus Christ As Christianity seems increasingly strange and even subversive to our culture we have the opportunity to reclaim the freakishness of the gospel which is what gives it its power in the first place We seek the kingdom of God before everything else We connect that kingdom agenda to the culture around us both by speaking it to the world and by showing it in our churches As we do so we remember our mission to oppose demons not to demonize opponents As we advocate for human dignity for religious liberty for family stability let us do so as those with a prophetic word that turns everything upside down The signs of the times tell us we are in for days our parents and grandparents never knew But that is no call for panic or surrender or outrage Jesus is alive Let us act like it Let us follow him onward to the future **The Quarterly journal of prophecy**, 1853 **Violence in Scripture** Jerome F.D. Creach, 2013-01-01 The Bible frequently depicts God as angry and violent and sometimes depicts human violence as positive or even as commanded by God This forms one of the most vexing problems in approaching Scripture and interpreting the Bible for preaching and teaching today In this volume Creach first examines the theological

problems of violence and categorizes the types of violence that appear in scripture He then wrestles with the most important biblical texts on violence to work through specific interpretational issues This new volume in the Interpretation Resources for Use of Scripture in the Church series will help preachers and pastors interpret those difficult texts encouraging them to face violence in the Bible with honesty *Commentary on the New Testament Use of the Old Testament* G. K. Beale, D. A. Carson, 2007-11-01 Christianity Today 2008 Award of Merit Biblical Studies Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure In order to fully understand the teachings of Jesus and his followers it is important to understand the large body of Scripture that preceded and informed their thinking Leading evangelical scholars G K Beale and D A Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations allusions and echoes that appear from Matthew through Revelation College and seminary students pastors scholars and interested lay readers will want to add this unique commentary to their reference libraries **THE HEALING OF FAMILIES** Fr. Yozefu B Ssemakula, 2011-12-31 This book will teach you step by step how to tackle in prayer the process for healing you and your family This is what is called praying effectively about those stubborn problems in life This book has been monumental in its field Since its publication in 2011 to date Fr Yozefu has been invited to speak in 38 countries and to lead thousands of families on their journey to healing and in many of these countries more than several times It s a process that has proved its worth with a long trail of wonderful results wherever the Healing of Families Seminar has gone in the world This book is a representation of that program very accessible to anybody who cares to pay attention while reading no jargon and no complicated theological concepts to battle with The author makes everything so simple and clear that even people who have been out of church for decades read it understand it and know what to do immediately in order to begin the prayer process for their family s healing This book has also been a favorite of many an exorcist in the world handling very tough situations in a very simple calm and tranquil and yet very effective way It too doubles as a manual for pastors who want to lead families under their care to access the healing that Christ has for them but which has eluded them for a very long time This book really demystifies healing prayer and the author clearly shows how the power of the healing Christ is so available to every baptized believer in Christ as Christ Himself states it in Mk 16:16-17 This book has made these words of Jesus come alive today in a very powerful and palpable way for so many Christian families around the world Whereas we usually thought of healing prayer as applicable to just individuals we discover here that it actually can be extended to entire families and effectively so **So You Want to Be an Elijah** David J. Brun, 2012-10 What would you do if Christianity and Judaism were to become illegal What if your government mandated that large church buildings become government buildings and museums while small churches were bulldozed What if all known men and women of God were designated enemies of the state and either imprisoned in solitary confinement or summarily executed What if the government started a new state religion which was clearly a substitute for the worship of Yahweh God

What if you seemed to be the only one who recognized the situation the only person who still recognized and prayed to God
 Would you keep a low profile for your own safety Would you pray for God s honor This is exactly the situation in which Elijah
 found himself in ancient Israel Not only was he apparently the only man of God left in the land he was seemingly a nobody He
 was an ordinary man living in a rural area Join us as we examine Elijah s life in the crucible of ancient Israel where he
 jumped from obscurity to the most wanted where the entire government mobilized itself to find him in order to put him to
 death Join us as we follow his death defying steps to one of the greatest miracles of God in all history Would you like to be an

 Abbott,1878 The Book of Revelation G. K. Beale,2013-09-07 This commentary series is established on the presupposition
 that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as
 well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these
 volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of
 the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research
 published in recent articles and monographs In this connection the authors make their own scholarly contributions to the
 ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited
 by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep
 in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at
 some time but does not now use it on a regular basis *Facts that Call for Faith* David Gregg,1898 **The Two Girls of**
