

This is the wrestler of all wrestlers, the man who can't be beat while he's still on his feet, the Hercules-grappling, earth-loving, skull-temple building Antaeus!

The son of Gaia and Poseidon, Antaeus was a giant who really liked to wrestle. The wrestler had bested and killed countless opponents, so many that he built a temple to Poseidon out of their

skulls. He wrestled anyone willing, challenging all who passed by—even the mighty Hercules!

Antaeus gained his incredible strength from the very earth, and while he remained in contact with the ground he was utterly invincible. His final wrestling match was with Hercules while the hero was on his way to steal the golden apples
