CONTROLLING CRIME

Strategies and Drawbacks

Edited by
Philip J. Cook, Jens Ludwig, and Justin McCrary

Controlling Crime

Michigan State Prison

Controlling Crime:

Controlling Crime Eugene McLaughlin, John Muncie, 2001-07-12 The Second Edition of *Controlling Crime* provides an important evaluation of criminal justice in the United Kingdom during a period of rapid social change Each chapter encourages historical comparative and critical reflection on the organizational logics powers procedures and practices of the criminal justice system Intended as essential reading for students of criminology criminal justice community safety socio legal studies sociology of crime and deviance and social policy *Controlling Crime* will also be of interest to anyone wishing to gain an understanding of the operation of contemporary criminal justice systems **Controlling Crime** Philip J. Cook, Jens Ludwig, Justin McCrary, 2011-08-22 Criminal justice expenditures have more than doubled since the 1980s dramatically increasing costs to the public With state and local revenue shortfalls resulting from the recent recession the question of whether crime control can be accomplished either with fewer resources or by investing those resources in areas other than the criminal justice system is all the more relevant *Controlling Crime* considers alternative ways to reduce crime that do not sacrifice public safety Among the topics considered here are criminal justice system reform social policy and government policies affecting alcohol abuse drugs and private crime prevention Particular attention is paid to the respective roles of both the private sector and government agencies Through a broad conceptual framework and a careful review of the relevant literature this volume provides insight into the important trends and patterns of some of the interventions that may be effective in reducing crime **Controlling Crime, Controlling Society** Dario Melossi, 2013-05-02 How did anxieties about crime and deviance emerge in the modern world first in Europe and then in America How did they come to occupy centre stage in the ongoing drama played out in public discourse And how have theories of crime and deviance related to the actual practices of social control and punishment and to the main currents of social conflict In this illuminating new book Dario Melossi addresses these crucial questions and at the same time offers an engaging survey of the theories of social control crime and deviance From the early work of Beccaria and Lombroso via the pioneering sociology of 1920s Chicago to 60s radicalism and the subsequent emergence of a culture of fear the book covers the full range of theoretical thinking in this area including more recent assessments of mass imprisonment in post 9 11 America In a sharp and lucid style Melossi argues that two orientations have always been battling each other in society one in which the control of crime is paramount and the other in which controlling crime becomes secondary to the exercise of wider social control Conceived and written by a scholar who has been active for many years both in Europe and the United States the text will be an invaluable aid to advanced students and scholars of sociology and criminology on both sides of the Atlantic *Controlling Crime Through More Effective Law Enforcement* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Criminal Laws and Procedures, 1967 *Controlling Crime Through More Effective Law Enforcement* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Criminal Laws and Procedures, 1967 **Understanding and Controlling**

Crime David P. Farrington, Lloyd E. Ohlin, James Q. Wilson, 1986 In 1982 the John D and Catherine T MacArthur Foundation created a small committee the Justice Program Study Group whose membership is listed at the end of this preface and posed to it what can hardly be regarded as an easy question What ideas what concepts what basic intellectual frameworks are lacking to understand and to more effectively deal with crime in our society Those who are acquainted with the work of the members of the Study Group will appreciate how many divergent views were expressed divergent to the degree that some of us came to the conclusion that we were not a Study Group at all but rather a group being studied an odd collection of ancient experimental animals serving some dark purpose of the Foundation Eventually however a surprisingly strong concurrence emerged We found we were impressed by the extent to which in our discussions we placed heavy reliance on the products of two types of research first those few longitudinal studies related to juvenile delinquency and crime that had been pursued in this country and second a few experimental studies that had sought to measure the consequences of different official interventions in criminal careers These two research strategies had taught us much about crime and its control Other strategies case studies cross sectional surveys participant observations and similar techniques had indeed been productive but it was the longitudinal and experimental designs that firmed up the knowledge that the others helped to discover

Controlling Crime Bob Roshier, 1989 **Crime and Crime Control** Gregg Barak, 2000-06-30 Are crime rates rising or falling around the world Are specific types of crime more prevalent in some cultures than others Do different cultures vary greatly in their attitudes toward crime prevention Students will find answers to these and similar questions in this unique resource of 15 case studies exploring the problems of crime and crime control in different countries ranging from Germany to Ghana to around the world Cross cultural comparisons examine the history the public perceptions contemporary problems and the future of crime and crime control in each country The comparisons also provide readers with the opportunity to discover both the many differences and the many similarities that exist among the different cultures in their rates of crime forms of prevention and attitudes toward it Each of the 15 chapters opens with a brief overview which includes the type of government and the living environment of the country to introduce readers to the population The countries were chosen to represent every region of the world and to provide as broad a picture as possible when exploring the issues presented by the problem of crime and different cultures efforts to control it The user friendly format of the volume with each chapter following the same outline makes it easy for readers to compare specific aspects among the 15 cultures These different views of the crime problem around the world and what it means to different people will help students to understand it in a broad sense as a social issue that affects all of humanity [Crime Control in America](#) John L. Worrall, 2014-02-12 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book This comprehensive straightforward text introduces readers to the many methods of crime control and reviews the research concerning their effectiveness with a fair and balanced approach Crime Control in America What Works

3e provides in depth coverage of policing prosecution and courts and legislative methods of crime control It moves beyond the justice system and examines the effectiveness of crime control at the individual family school and community levels Finally it covers environmental criminology and explanations of large scale crime trends particularly the reductions witnessed during the 1990s Unlike others on the market this book also examines crime control that is informal in nature one that does not rely on involvement by the criminal justice system or other forms of government intervention Worrall presents a comprehensive view of crime control in America while maintaining a neutral ideological stance Unlike most of the competition this straightforward student friendly text does not presuppose any knowledge of the criminal justice system This book is geared specifically toward undergraduate students of any major including community college students The book covers more methods of crime control than any of its competitors and all the most controversial and current approaches are discussed in depth Teaching and Learning Experience This book offers a current look at crime control and its effectiveness examining emerging areas in the field It provides Comprehensive up to date coverage with unique content Exposes students to a wide range of methods of crime control in America Extensive look at the effectiveness of crime control approaches Reviews the research concerning crime control effectiveness and presents a thorough analysis of what works doesn t work to control crime Strong pedagogical features Gives students the tools to master key concepts faster and more effectively and provides support for instructors

Controlling Crime Through More Effective Law Enforcement United States. Congress. Senate. Judiciary,1967

Controlling State Crime Jeffrey Ian Ross,2000-01-01 Academic research on state crime has focused on the illegal actions of individuals and organizations i e syndicates and corporations Interchangeably labeled governmental crime delinquency illegality or lawlessness official deviance and misconduct crimes of obedience and human rights violations state crime has largely been considered in relation to insurgent violence or threats to national security Generally it has been seen as a phenomenon endemic to authoritarian countries in transitional and lesser developed contexts We need look no further than today s headlines to see the evidence of state crime Rwanda where government troops massacred countless Hutus and Tutsis governmental atrocities in Kosovo at the hands of the Yugoslavian Army and East Timor where both individuals and property have been decimated largely perpetrated by the Indonesian military The study of how to control state crime has been difficult There are definitional conceptual theoretical and methodological problems as well as difficulties in designing of practical methods to abolish combat control or resist this type of behavior Jeffrey Ian Ross reviews these shortcomings then develops a preliminary model of ways to control state crime His intention is stimulating scholarly research and debate but also encouraging progressive minded policymakers and practitioners who work for governmental and nongovernmental organizations The hope is that they will reflect upon the methods they advocate or use to minimize state transgressions This new edition will be of compelling interest to students of political science and criminology as well as general readers interested in human rights state crime and world affairs

Making the Punishment Fit the

Crime John Alan Hamilton,1921 **Controlling Crime Through More Effective Law Enforcement** United States. Congress. Senate. Committee on the Judiciary,1967 Considers S 1194 to define jurisdiction of Supreme Court and lower courts in criminal prosecutions involving confessions S 1094 to make it a Federal offense to incite or participate in a riot which impairs interstate or foreign commerce or to interfere with a fireman or law enforcement officer during a riot S 678 to outlaw the Mafia and other organized crime organizations S 1007 to provide for institutionalization of individuals acquitted of Federal offenses solely on grounds of insanity S 916 to create U S Corrections Service and S 992 to establish a National Institute of Criminal Justice S 917 to assist state and local governments in reducing incidence of crime S 675 and S 2050 to prohibit wiretapping and electronic surveillance by persons other than duly authorized law enforcement officers engaged in the investigation or prevention of specified categories of criminal offenses Miscellaneous related bills *Controlling the Dangerous Classes* Randall G. Sheldon,2001 This book covers the history of criminal justice from a critical perspective and explores the historical biases of the criminal justice system The overall theme of this book is that both the making of laws and the interpretation and application of these laws throughout the history of the criminal justice system has historically been class gender and racially biased Moreover one of the major functions of the criminal justice system has been to control those from the most disadvantaged sectors of the population that is the dangerous classes This theme is explored using a historical model tracing the development of criminal law through the development of the police institution the juvenile justice system and the prison system For anyone interested in the history of criminal justice **Hansard's Parliamentary Debates** Great Britain. Parliament,1890 Probation for Juveniles and Adults Fred Robert Johnson,1928 **Biennial Report of the Board of Control and Officers of the Michigan State Prison** Michigan State Prison,1882 Biennial Report of the Board of Control and Officers of the Michigan State Prison for the Two Years Ending ... Michigan State Prison,1881
Extra-instructional Activities of the Teacher Roscoe Pulliam,1930 **Forum on Crime and Society** ,2001-02

Controlling Crime Introduction

In the digital age, access to information has become easier than ever before. The ability to download Controlling Crime has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Controlling Crime has opened up a world of possibilities. Downloading Controlling Crime provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Controlling Crime has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Controlling Crime. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Controlling Crime. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Controlling Crime, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Controlling Crime has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Controlling Crime Books

1. Where can I buy Controlling Crime books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Controlling Crime book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Controlling Crime books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Controlling Crime audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Controlling Crime books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
