Senft, 2008 This book is a critical and ethnographic study of camgirls women who broadcast themselves over the web for the general public while trying to cultivate a measure of celebrity in the process The book's overarching question is What does it mean for feminists to speak about the personal as political in a networked society that encourages women to represent through confession celebrity and sexual display but punishes too much visibility with conservative censure and backlash The narrative follows that of the camgirl phenomenon beginning with the earliest experiments in personal homecamming and ending with the newest forms of identity and community being articulated through social networking sites like Live Journal YouTube MySpace and Facebook It is grounded in interviews performance analysis of events transpiring between camgirls and their viewers and the author's own experiences as an ersatz camgirl while conducting the research      **Tackling Tomorrow Today** Arthur B. Shostak, 2005 Contains seventeen essays discussing major challenges and issues the United States faces at home and abroad      **Creating Selves** Johanna

Gibson,2017-05-15 The concept of creativity together with concerns over access to creativity and knowledge are currently the subject of international debate and unprecedented public attention particularly in the context of international developments in intellectual property laws Not only are there significant developments at the legal level with increasing moves towards stronger and harmonized protection for intellectual property but also there is intense public interest in the concepts of creativity authorship personality and knowledge In *Creating Selves* Johanna Gibson addresses strategic responses to intellectual property and suggests alternative models for encouraging rewarding and disseminating creative and innovative output which are built upon a critical analysis of and approach to the debate and to the concept of creativity itself Drawing upon critical theories in authorship literature music the sciences and the arts Gibson suggests a radical re consideration of the notion of creativity in the intellectual property debate and the means by which to encourage and sustain creativity in contemporary society [Search and Social](#) Rob Garner,2012-11-06 *Search and Social* is a detailed hands on guide to building a successful real time marketing platform **Journal of Economic Literature** ,2004 *Book Review Index Cumulation* Dana Ferguson,2005-09 *Book Review Index* provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make *Book Review Index* an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers *Book Review Index* is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **The Publishers Weekly** ,2003 *Language and Identity in Late Modernity* Kerstin Lück,2004 [Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur](#) ,2003 [The Struggle for the World](#) Charles Lindholm,José Pedro Zúquete,2010-03-09 This controversial book establishes fundamental similarities between anti globalization aurora movements offering a new understanding of the sources and significance of resistance to the spiritual conditions of the modern world **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,2003 **Church in Life** Michael Moynagh,2018-03-28 *Church in Life* breaks fresh ground by proposing a new framework for thinking about innovation in the church by arguing that starting new ecclesial communities should be at the centre of the church s life and thought and by offering new theology and methodologies for church planting Church planters will find in it the theoretical and practical resources for a radical missional ecclesiology while theologians will find a nuanced reworking of the purpose and nature of the church [World City Network](#) Peter Taylor,Ben Derudder,2015-08-17 With the advent of multinational corporations the traditional urban service function has gone global In order to provide services to globalizing corporate clients the offices of major financial and business service firms across the world have generated networks of work It is the myriad of flows between office towers in different metropolitan centres that has produced a world city network Taylor and Derudder s unique

and illuminating book provides both an update and a substantial revision of the first edition that was published in 2004. It provides a comprehensive and systematic description and analysis of the world city network as the skeleton upon which contemporary globalization has been built. Through an analysis of the intra-company flows of 175 leading global service firms across 526 cities in 2012, this book assesses cities in terms of their overall network connectivity, the regional configurations they form, and their changing position in the period 2000-12. Results are used to reflect on cities and city-state relations in the context of the global ecological and economic crisis. Written by two of the foremost authorities on the subject, this book provides a much-needed mapping of the connecting relationships between world cities and will be a valuable resource for students of urban studies, geography, sociology, and planning. □□□□□□□□, 2009 **The Critical Theory of Robert W.
