## **Conversations With Peter Rosei:**

*Conversations with Peter Rosei* Peter Rosei, Wilhelm Johannes Schwarz, 1994 During the summer 1990 Peter Rosei spent a few weeks on the author's farm at St Isidore Quebec In the living room during nature walks during extended excursions they held conversations which were in part recorded on a cassette and are presented in this work Concentrating on Peter Rosei's works poetics intentions and problems all conversations began with prepared questions although the discussions occasionally were freed from that format and stood on their own merits The exchanges sought to get Mr Rosei's points of view and interpretations about his themes and characters as well as his stand on literary and philosophical trends Book Jacket [All Quiet on the Western Front - Erich Maria Remarque](#) Harold Bloom, 2009 Remarque's 1929 novel is among the finest antiwar literature written after the First World War *Erich Maria Remarque's All Quiet on the Western Front* Erich Maria Remarque, 2008 This 1929 novel served as Remarque's attempt to confront and ultimately rid himself of the graphic and haunting memories of his time serving in World War I A novel with overtones of autobiography All Quiet on the Western Front traces the evolution of one man's powerful antiwar sentiments This new title in the Bloom's Guides series also features an annotated bibliography a listing of other works by the author and an introduction by literary scholar Harold Bloom

**The Fiction of the I** Nicholas J. Meyerhofer, 1999 An introduction to eight contemporary Austrian writers who have achieved critical acclaim and who to a greater or lesser degree write autobiographical prose Authors discussed are Barbara Frischmuth Peter Handke Peter Henisch Edgar Hilsenrath Elfriede Jelinek Peter Rosei Gerhard Roth and Fred Wander

**Ruthless and Other Writings** Peter Rosei, 2003 [Elfriede Jelinek](#) Jorun B. Johns, Katherine Arens, 1994 The essays collected here demonstrate the range and significance of this major literary voice addressing Jelinek as a master of modernist prose of postmodern critiques of literary genres of stage and screen and of feminist and antifascist criticism Jelinek's oeuvre encompasses reworkings of older literary genres reminiscent of Joyce Carol Oates refashioned as contemporary criticism of domestic violence pornography oppression of women or the continuance of the fascist legacy in the everyday world of contemporary Austria and Germany Her experiments on the stage and screen are as eerily evocative as the works of Robert Wilson yet deliver trenchant political and social critiques as their shared modernist and postmodern agendas would require

**Modern Austrian Literature**, 2003 Includes the index to the Journal of the International Arthur Schnitzler Research Association 1961-67 **A Companion to Michael Haneke** Roy Grundmann, 2010-04-26 A Companion to Michael Haneke With a new preface addressing the Academy award winning film *Amour* this new in paper edition has established itself as the definitive collection on Michael Haneke from his early work in television and theater through his prodigious cinematic output to his 2009 triumph at Cannes A Companion to Michael Haneke brings together essays by leading film scholars as well as interviews with the director himself to probe the provocative and controversial themes that have formed the nucleus of Haneke's work intergenerational dysfunction and social alienation colonialism and citizenship surveillance and pornography

mass culture and media violence The volume also offers a critical examination of the auteur's oeuvre including *Three Paths to the Lake*, *Lemmings*, *Benny's Video*, *The Piano Teacher*, *Cach*, *Funny Games* and the 2009 Palme d'Or winner *The White Ribbon*

**Chasing After the Wind** Barbara Frischmuth, 1996 Barbara Frischmuth among the most widely recognised and respected Austrian writers today is recognised not only for her descriptive skill but also for being a moderate feminist In these four short tales she presents realistic portraits of women caught up in relationships determined largely by social conventions internalised roles and sometimes just plain bad luck Taking her title from Ecclesiastes All is vanity and a chasing after the wind she presents psychologically sound studies of women protagonists futile efforts to break out of the dead end situations in which they have been trapped

The Wild Woman and Other Plays Felix Mitterer, 1995 This second volume of Felix Mitterer's plays in English translation offers further evidence of this dramatist's powerful artistry A mythological Wild Woman changes the lives of five wood cutters exposing their loneliness and desperation Home reiterates the dictum that you can't go home again especially where prejudice brutality and hatred reside An historical drama based on actual court records Children of the Devil depicts institutional superstition and cruelty as perpetuated upon the most vulnerable members of society its children One Everyman is a modern version of the traditional medieval morality play complete with a Devil from Wall Street while the Biblical analogy Abraham concerns the scourge of AIDS but even more the love between a father and his son The Austrian playwright Felix Mitterer born in 1948 in the Tyrol is one of today's leading European dramatists His two four part television series *Piefke Saga* and *Verkaufte Heimat* were seen by millions of viewers in the German speaking countries

The Cumulative Book Index, 1996 A world list of books in the English language

The Final Plays Arthur Schnitzler, 1996 This second volume of Austrian Folk Plays gives further evidence of the popularity of this form among contemporary writers In the late nineteenth century the folk play had fallen into disrepute as trivial literature but in the 1920 it began to be restored to prominence and after World War II writers rediscovered the form and believed that it was ideally suited to treat contemporary social problems

*Felix Mitterer* Nicholas J. Meyerhofer, Karl Eugene Webb, 1995 During the last decade the contemporary author Felix Mitterer has grown steadily in both critical and popular acclaim emerging as one of the most popular playwrights in German speaking Europe today His dramas are performed regularly on all of the major stages in Germany and Austria and his television plays and series attract large audiences In recent years Mitterer's works have also begun to attract serious interest abroad they have been translated into twelve different languages This critical introduction the companion piece to the recently published plays in English *Siberia and Other Plays* 1994 and *The Wild Woman and Other Plays* 1995 introduces this important writer to an English speaking audience Because the topics dealt with in his plays have universal human validity and appeal there is every reason to believe that Felix Mitterer will find the same resonance in the English speaking world that he has received at home

**Flight from Greatness** Hans Weigel, 1998 Translation from the German work first published in 1978 presented here with an afterword by the translator Lowell A

Bangerter Six biographical essays on writers Ferdinand Raimund Johann Nestroy Franz Grillparzer Adalbert Stifter and composers Franz Schubert and Johann Strauss help illuminate the Austrian character The author contends that the common elements of not being recognized of being misunderstood and of self misunderstanding make up the Austrian fate or greatness fleeing from itself Annotation copyrighted by Book News Inc Portland OR [The House of the Linsky Sisters](#)

Florian Kalbeck,1996 The celebrated concert pianist Clara Line is going through a period of artistic crisis when her twin sister Resl suddenly dies Clara s decision to adopt the name and persona of her twin leads to involvements with four very different men But the place is Vienna the year s 1937 the eve of Hitler s invasion of Austria and Clara Line now Resl Linsky is Jewish Her search for fulfillment also leads to involvement in the resistance and the discovery of the spiritual dimension of a Judaism she thought she had left behind

**Refractions** Alois Vogel,1995 This bitter political division between the parties was a major turning point in Austrian history and was one of the primary causes leading the country to annexation by Germany in 1938 The reader is shown that the situation did not have to become violent if politicians on both sides had shown more tolerance for different views Vogel a contemporary witness builds tension in the novel through the technique of flashback and creates an accurate first hand account of one of the most critical events in modern Austrian history

**Of Reason and Love** Carl Steiner,1994 Marie von Ebner Eschenbach stands out as one of the most unusual Austrian writers of the latter part of the nineteenth and the beginning of the twentieth century Known as the grande dame of Austrian literature she started her writing career as a dramatist who had the ambition of becoming a female Shakespeare She ended it as an aphorist and author of short stories novellas and novels Although she was not a leading figure in the women s movement of the turn of the century her writings which were much acclaimed in her maturing years went a long way toward putting women s literature on an equal footing with the literary output of her male peers in her own native land and abroad

**The Massive File on Zwetschkenbaum** Albert Drach,1996 A novel set in Austria and based on the misfortunes of a young Talmud scholar whose story is allegedly recorded by the author as a young attorney between the two World Wars The protagonist is an antihero who for the most trifling of offenses becomes enmeshed in the legal machinery which grinds on relentlessly although all authorities feel the charges should be dropped Hence the massive file is created Drach pillories the mindless bureaucracy of the legal system the bumbling medical profession and the general corruption of the times along with the prevalent anti Semitism [www.ariadnebooks.com](http://www.ariadnebooks.com)

**Born-where** Robert Schindel,1995 Robert Schindel s Born Where is a novel about origins a novel about the wages of history Its protagonists are contemporary Viennese and German Jews who are the children of those who were killed in the German extermination camps The uneasy intertwining of their lives with contemporary Germans and Austrians constitutes the panoramic epic that the Viennese author unfolds with keen insight and mordant humor The protagonist is a concentration camp survivor who is summoned back to Vienna to testify at a belated war crimes trial In the course of his reluctant return he meets the past and the present in Austria making readers aware of how

things were and how much of history and of the legacy of racism still lingers on today This confrontation assimilation makes for among other things an intergenerational psychological ghost story Born Where touches on every aspect of the unresolved and perhaps unresolvable relations between contemporary Germans Austrians and Jews One subtheme concerns the Left s resistance to Nazism Another takes us inside the workings of contemporary Austrian bureaucracy There are also the invariably impossible romantic relationships between Jews and Germans

**Marie Von Ebner-Eschenbach** Doris M. Klostermaier, 1997 This biography of 19th century Austrian writer Marie von Ebner Eschenbach examines her childhood in Moravia at Zdislawitz castle her struggle to become a writer against her aristocratic family s wishes and her life in Vienna as a recognized and honored writer The author draws upon published and unpublished sources including letters and diary entries which were thought to be destroyed to portray the ambitious and talented von Ebner Eschenbach as a human being with strengths weaknesses quirks and foibles Annotation copyrighted by Book News Inc Portland OR
