Boutauld,1778 "Teach Them to Hear Me" Frannie Rose,2021-10-05 Do you ever wish you could hear God s voice As you ve faced hard challenges in your life have you imagined conversing with God Would you like to ask God questions and hear His gentleness and kindness speaking directly to you Do you wish to know the meaning and purpose of your life Learn to hear God s voice Perhaps you ve gone to church all your life searched the scriptures and read of others who have had a mystical relationship with Him Maybe you have spoken with your clergyman listened to theologians or sought the wisdom of a spiritual mentor yet still your heart longs for more Arising from her extraordinary journey with God Frannie Rose inspires students across the world to live in conversation and in union with God His voice is what she heard as she emerged miraculously from seventeen years bedridden with illness and as she embarked on a new awe inspiring journey with Him In Teach Them to Hear Me A Guide to Conversing with God Frannie Rose guides readers step by step through a contemplative journaling technique God shared with her for engaging in daily and increasingly deeper conversations with Him When readers say yes to this beautiful journey they will experience what Frannie s many students have discovered how to find inner peace with God how to uncover meaning purpose and fulfillment through His answers and how to gift the world with their newfound peace

Conversing with God Terry Giles,2022-04-01 Talk is essential to human social life Through conversation we form friendships share dreams and hopes and develop a common outlook on the world around us Talk with God can achieve the same thing This book examines the conversational prayers in the Hebrew Bible their structure and content to understand how talk with God forms friendship shares dreams and hopes and develops a Divine human outlook on the world Conversation forces the petitioner to surrender control of the encounter and become susceptible to unscripted give and take with the Divine Conversation with God is always a risk but the rewards can be great Through conversation Abraham and Moses became friends with God The same can be true for us

Talking about God Stephen Saccone,Cheri Saccone,2018 Evangelism is intimidating But talking is natural a vital part of every meaningful relationship you ve ever had Steve and Cheri Saccone demonstrate that talking about God is simple when we commit first to loving and listening to our friends For people who want their friends to know Jesus Talking about God offers refreshing portraits of natural organic God directed conversations that honor the people we love Page 4 of cover

Hearing God in Conversation Sam Williamson,2016-06-27 I picked it up out of curiosity and I couldn t put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with

God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks **Conversing with God**
