

# ***Benefits of Cooperative collection development***

- Increased potential for improving access
- Greater possibility of stretching limited resources
- Sharing that can result to greater staff specialization with one person being able to concentrate on one or two activities rather than five or six with specialization resulting to better performance
- Promoting and advertising the cooperative's presence in the library program may reduce the number of places a client will need to go for service
- Though not thoroughly obvious, cooperative efforts create improvements in the working relationships among cooperative libraries
