The Sisters Antipodes

Jane Alison

Antipodes Jane

Daniel S. Burt

Antipodes Jane:

Antipodes Jane Outlet,Outlet Book Company Staff,Random House Value Publishing Staff,1986-10-01 *Antipodes Jane* Barbara Ker Wilson,1984 **The Sisters Antipodes** Jane Alison,2010-04-09 A wrenching luminous memoir of how betrayal and divorce transformed two families and the lives of two young women People When Jane Alison was a child her family met another that seemed like its mirror Each had a father in the Foreign Service a beautiful mother and two little girls The younger two one of them Jane even shared a birthday With so much in common the two families quickly became inseparable Within months affairs had ignited between the adults and before long the pairs had exchanged partners divorced remarried and moved on As if in a cataclysm of nature two families were ripped asunder and two new ones were formed Two pairs of girls were left in shock a silent numb shock like a crack inside stone not enough to split it but inside quietly fissuring And Jane and her stepsister were thrown into a state of wordless combat for the love of their fathers This true story of their rivalry and the tragic loss that ultimately followed is a fascinating record of how adult behavior can shape or shatter a childhood Spanning from Australia to the United States it is enormously compelling A harrowing journey of identity Publishers Weekly starred review *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **The Worlds of Jane Austen** Helena Kelly,2025-09-23 The Worlds of Jane Austen invites readers to see one of Britain s most beloved authors in a completely new light Far from the quiet world of country houses and tea parties Austen lived through revolution war and major social change and her sharp observant fiction reveals just how engaged she was with the issues of her time This lively and accessible guide explores the people politics and places that shaped Austen s life and work It features expert insight from bestselling author Helena Kelly alongside over 150 photographs artworks and illustrations that bring her world vividly to life Whether you are discovering Austen for the first time or returning to her novels with fresh eyes The Worlds of Jane Austen is the perfect companion for curious readers literature lovers and admirers of classic storytelling [Antipodes Jane](#) Barbara Ker Wilson,1985 **Traits of Character and Notes of Incident in Bible Story** Francis Jacox,1873 **The Junior Munsey** ,1902 *Genreflecting* Betty Rosenberg,1986 **Genreflecting** Diana Tixier Herald,2000 Nearly 6 000 titles aid in collection development research and reader s advisory **Munsey's Magazine for ...** ,1902 *As I was Saying Yesterday* Patricia Beer,2002 This collection

offers the wise wickedly wry extended essays that Beer wrote for The London Review of Books the Listener and the Times Literary Supplement during the last 25 years of her life Borrowing literary examples from Dickens Owen and Shakespeare Beer s satire belongs to the generation including D J Enright and Donald Davie and covers remarkably varied subjects A critic of contemporary literary trends and religious fervor Beer was known by one critic as a religious poet stripped of the blurring consolations of religion

Atlantic Monthly ,1910 **Progressivism and the World of Reform** Peter J. Coleman,1987

In this major reinterpretation of the Progressive era Peter Coleman argues that the American welfare state had its origins in what he calls the world wide crisis of capitalism Here and abroad reformers no longer content to treat the symptoms of distress sought to achieve social political and economic justice by abandoning laissez faire in favor of governmental intervention This study thoroughly documents the external forces that shaped the American Progressive movement and shows that the reformers agenda for change drew heavily on foreign ideas and models as well as the American reform tradition Tracing the international cross currents of reform ideas Coleman demonstrates that for nearly three decades American reformers of every stripe regarded the Australasian colonies especially New Zealand as examples of what the United States could become Thus inspired American reformers worked for such goals as wage and hour legislation for women abolition of child labor workmen s compensation laws compulsory arbitration of labor disputes land reform cheap loans for farmers old age pensions and infant and maternal care programs Through these and other measures that touched all aspects of the nation s life the role of government was enlarged By placing progressivism within an international context Coleman deepens our understanding of a phenomenon previously seen as distinctively American thereby clarifying both the substance and process of change in this country He also argues that in the Progressive era can be seen the origins of the regulations and mixed economy of the modern welfare state

Contemporary Authors New Revision Series Scot Peacock,2001-09 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details

The Atlantic Monthly ,1910 Persuasions ,1993 **The New York Times Book Review** ,1985-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback

The American Scholar William Allison Shimer,1984

Kirkus Reviews ,1985 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club

selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical
