

Brecht One

**Bertolt Brecht, Reinhold
Grimm, Caroline Molina y Vedia**

Brecht One:

Brecht On Theatre Bertolt Brecht, 2014-11-20 A wholly revised re edited and expanded edition of one of the seminal texts of twentieth century theatre Featuring new translations additional texts illustrations and editorial matter this is a fullest and clearest account yet of Brecht s thinking on theatre and aesthetics

Brecht's Tradition Max Spalter, 2019-12-01 Originally published in 1967 Literary scholars often acknowledge that Brecht borrowed from a variety of traditions including Goethe Schiller expressionists naturalists and realists all of whom affected his work However they tend not to address any single tradition as exclusively Brecht s From these various literary traditions Brecht borrowed formal elements only compared with other writers to whom he is indebted Brecht exceeds them in cynicism They do not convey anything like his pitiless debunking attitude his corrosive anti romanticism his hardheaded refusal to idealize or glorify and his suspicion of all sentimentalities This book discusses what the author identifies as the Brechtian sensibility Chroniclers of drama have not totally ignored the Brechtian tradition but too often they are content to note merely that Brecht shared with some writers particularly Bchner and Wedekind a proclivity for open drama and episodes of racy realism tinged with poetic feeling Other critics have not closely studied the various plays of this tradition in order to show how they constitute a distinctive and well defined species of theater to which Brecht unmistakably belongs

Rethinking Brechtian Film Theory and Cinema Angelos Koutsourakis, 2018-09-20 Making a compelling argument for the continuing relevance of Brechtian film theory and cinema this book offers new research and analysis of Brecht the film and media theorist placing his scattered writings on the subject within the lively film theory debates that took place in Europe between the 1920s 2 01960s

Collected Plays [of] Bertolt Brecht Bertolt Brecht, 1970

Bertolt Brecht's Furcht Und Elend Des Dritten Reiches: A German Exile Drama in the Struggle Against Fascism (Studies in German Literature, Linguistics, and Culture) John J. White, Ann White, 2010

First thorough treatment in English of one of Brecht s most important antifascist works Brecht s Furcht und Elend des Dritten Reiches Fear and Misery of the Third Reich gives a compelling documentary picture of life in Nazi Germany Close readings of individual scenes are accompanied by a detailed analysis of their role within the play s overall structure Contrary to the assumption that it is a work of Aristotelian realism Brecht is shown to employ covert alienation devices that are an integral part of his literary campaign against Third Reich Germany This first study in English on the subject of Brecht and fascism offers a corrective to the overconcentration on the play s artistic aspects It considers Brecht s relationship to the Popular Front s campaign against the National Socialist regime Attention is paid to the play s genesis and in the case of The Private Life of the Master Race to the partial shift from the Third Reich of 1933 38 to the war period predicted in the original Furcht und Elend cycle The play s central theme of resistance its propaganda value and its political and artistic reception are addressed within their historical and ideological framework The result is a challenging assessment of the play s strengths and limitations as a response to German totalitarianism John J White is Emeritus Professor of German and Comparative

Literature at King's College London and Ann White is Senior Lecturer in German at Royal Holloway University of London

Brecht's Poetry of Political Exile Ronald Speirs, 2000-11-02 Bertolt Brecht one of the most influential European playwrights of the twentieth century was also a poet of distinction This volume is the first comprehensive study devoted to his most important collection of political poetry the Svendborg Poems The contributors analyse Brecht's work critically and historically discussing it in relation to questions of poetics political commitment exile propaganda rhetoric and the scope and limitations of political poetry Links are also drawn with the work of German Soviet and English poets of the period and with later Germany poets

Brecht Collected Plays: 1 Bertolt Brecht, 2015-04-07 One of a series of eight this volume features the plays Baal Drums in the Night In the Jungle of Cities The Life of Edward II of England and five one act plays A Respectable Wedding The Beggar or the Dead Dog Driving out a Devil Lux in Tenebris and The Catch

Bertolt Brecht's Dramatic Theory John J. White, 2004 In concert with his work as a politically charged playwright and dramaturge Bertolt Brecht concerned himself extensively with the theory of drama He was convinced that the Aristotelian ideal of audience catharsis through identification with a hero and the resultant experience of terror and pity worked against his goal of bettering society He did not want his audiences to feel but to think and his main theoretical thrusts Verfremdungseffekte de familiarization effects and epic theater among others were conceived in pursuit of this goal This is the first detailed study in English of Brecht's writings on the theater to take account of works first made available in the recent German edition of his collected works It offers in depth analyses of Brecht's canonical essays on the theater from 1930 to the late 1940s and early GDR years Close readings of the individual essays are supplemented by surveys of the changing connotations within Brecht's dramaturgical oeuvre of key theoretical terms including epic and anti Aristotelian theater de familiarization historicization and dialectical theater Brecht's distinct contribution to the theorizing of acting and audience response is examined in detail and each theoretical essay and concept is placed in the context of the aesthetic debates of the time subjected to a critical assessment and considered in light of subsequent scholarly thinking In many cases the playwright's theoretical discourse is shown to employ methods of epic presentation and techniques of de familiarization that are corollaries of the dramatic techniques for which his plays are justly famous John J White is Professor of German and Comparative Literature at King's College London

Bertolt Brecht Collected Plays Bertolt Brecht, 1970

The Good Person Of Szechwan Bertolt Brecht, 2016-11-17 Brecht's dark dazzling world view makes an absolutely devastating impact The play is fuelled by the brilliant perception that everyone requires such a dual or split personality to survive Evening Standard Three gods come to earth hoping to discover one really good person No one can be found until they meet Shen Te a prostitute with a heart of gold Rewarded by the gods she gives up her profession and buys a tobacco shop but finds it is impossible to survive as a good person in a corrupt world without the support of her ruthless alter ego Shui Ta Brecht's parable of good and evil was first performed in 1943 and remains one of his most popular and frequently produced plays worldwide This Student Edition

features an extensive introduction and commentary that includes a plot summary discussion of the context themes characters style and language as well as questions for further study and notes on words and phrases in the text It is the perfect edition for students of theatre and literature

Bertolt Brecht Bertolt Brecht, Reinhold Grimm, Caroline Molina y Vedia, 2003-01-01 Long in preparation and in considerable demand here are the essential poems and prose of one of the giants of 20th century world literature Following an authoritative introduction by Reinhold Grimm the volume includes German and English poems on facing pages

Bentley On Brecht Eric Bentley, 1999 Bentley on Brecht published in the centenary year of Brecht's birth is indispensable for scholars as well as theatre enthusiasts Eric Bentley is the definitive resource for anyone interested in Bertolt Brecht and he has at last poured all of his brilliant resources into one volume

The National Provisioner, 1923
February 1933 Uwe Wittstock, 2023-04-18 It all happened in a flash February 1933 was the month in which the fate of German writers as for so many others was decided In a tensely spun narrative Uwe Wittstock tells the story of a demise which was predicted by some but also scarcely thought possible He reveals how in a matter of weeks the glittering Weimar literary scene gave way to a long dark winter and how the net drew ever closer for Thomas Mann Bertolt Brecht Else Lasker Schler Alfred Dblin and countless others Monday January 30 Adolf Hitler is sworn in as Chancellor of Germany Joseph Roth cannot wait any longer to learn what today's paper will report He leaves for the station early in the morning and takes the train to Paris bidding Berlin farewell comes naturally to him Meanwhile Thomas Mann barely spares a thought for politics during the next ten days focusing instead on his forthcoming speech on Richard Wagner Weaving an intimate portrait of the major figures whose lives he follows day by day Wittstock shows how the landslide of events which immediately followed Hitler's victory spelled disaster for the country's literary elite He resurrects the atmosphere of the times marked by anxiety for many by passivity and self betrayal for some and by grim determination for others Who will applaud the new dictator and who will flee fearing for their life Drawing on unpublished archival material this important work is both a meticulous historical narrative and a timely reminder that we must remain vigilant in the face of the forces that threaten democracy however distant the prospect of totalitarianism may seem

[Totalitarianism on Screen](#) Carl Eric Scott, F. Flagg Taylor IV, 2014-07-22 From its creation in 1950 to the fall of the Berlin Wall in 1989 the German Democratic Republic's Ministry for State Security closely monitored its nation's citizens Known as the Staatssicherheit or Stasi this organization was regarded as one of the most repressive intelligence agencies in the world Florian Henckel von Donnersmarck's 2006 film *The Lives of Others* *Das Leben der Anderen* has received international acclaim including an Academy Award an Independent Spirit Award and multiple German Film Awards for its moving portrayal of East German life under the pervasive surveillance of the Stasi In *Totalitarianism on Screen* political theorists Carl Eric Scott and F Flagg Taylor IV assemble top scholars to analyze the film from philosophical and political perspectives Their essays confront the nature and legacy of East Germany's totalitarian government and outline the reasons why such regimes endure Other than magazine and newspaper reviews little has been

written about *The Lives of Others* This volume brings German scholarship on the topic to an English speaking audience for the first time and explores the issue of government surveillance at a time when the subject is often front page news Featuring contributions from German president Joachim Gauck prominent singer songwriter Wolf Biermann journalists Paul Hockenos and Lauren Weiner and noted scholars Paul Cantor and James Pontuso *Totalitarianism on Screen* contributes to the growing scholarship on totalitarianism and will interest historians political theorists philosophers and fans of the film *The American Flint* ,1930 *Ice and Refrigeration* ,1923 *Brecht-Jahrbuch* ,1983 **The Pennsylvania-German** ,1909 Devoted to the history biography genealogy poetry folk lore and general interests of the Pennsylvania Germans and their descendants *Transactions of the Historical Society of Berks County* Historical Society of Berks County,1910
