

BASIC BOXING PUNCHES

BEFORE YOU STEP IN THE RING, YOU SHOULD MASTER THESE BASIC BOXING PUNCHES.

JAB

A quick, basic punch used to set up other shots, most often power punches. It can also be used to distract your opponent and create space.

CROSS

Can be used as a lead punch, a counterpunch, or in combinations. It's thrown by your rear hand, which moves across your body to hit the target.

HOOK

One of the most powerful punches. Most of the power comes from the torso and legs, and since the approach is from the side - the opponent often doesn't see it coming.

UPPERCUT

A devastating punch to use at close range. It can deal excruciating damage under the chin.
