Boy is a powerful reflection on a traumatic and violent childhood which fuelled the excess and recklessness that would define but almost destroy the rock n roll legend This is the story of how James Swan became Jimmy Barnes It is a memoir burning with the frustration and frenetic energy of teenage sex drugs violence and ambition for more than what you have Raw gritty compassionate surprising and darkly funny Jimmy Barnes s childhood memoir is at once the story of migrant dreams fulfilled and dashed Arriving in Australia in the Summer of 1962 things went from bad to worse for the Swan family Dot Jim and their six kids The scramble to manage in the tough northern suburbs of Adelaide in the 60s would take its toll on the Swans as dwindling money too much alcohol and fraying tempers gave way to violence and despair This is the story a family s collapse but also a young boy s dream to escape the misery of the suburbs with a once in a lifetime chance to join a rock n roll band and get out of town for good
