### IDEAS FOR PROPS

*(Props are optional and can all be constructed out of cardboard and other common items.)*

**1. Magic Boxes** (decorated with exotic colors and images), such as a small box “full of all kinds of names... from all the countries of the world.” You might research and discuss in class what each child’s name would be in a different country. (For example, *John* would be *Jean* in France, or *Joseph* would be *Giuseppe* in Italy.) Have the students come up with various names. Write these down on pieces of paper and place them in the box. You might refer to the illustrations in the book for ideas. (See other ideas for researching names in the “Home/School” section of the Teacher’s Lesson Plan.)

**2. A box “of dreams that people don’t want.”** Have the class decide on a dream that Husni might not want and make an image of it.

**3. A box “full of wonderful dreams”:** Ask the students to share their ideas of what they think is “wonderful,” then have them draw or cut out from magazines images that illustrate these ideas. Fill the box with these images. The book’s illustrations offer some “wonderful” ideas, too.

**4. Items in the Wise Man’s house:** colorful pillows, “oriental” rugs, a cat, etc.
