Brahms Karl Geiringer,Irene Geiringer,2024-11-01 Originally published in 1936 as a second edition in 1948 and as an enlarged and third edition in 1982 Karl Geiringer s biography of Brahms is generally regarded as one of the finest studies of the composer ever published in any language It is based on the body of material in the archives of the Viennese Society of Friends for which Karl Geiringer was curator from 1930 1938 and which contains more than a thousand letters written by and to Brahms These letters exchanged with family and with his famous contemporaries reveal his loneliness grim humour loyalty painful shyness and enthusiasm for the music of Beethoven and Schubert moods that the self effacing composer did not like to publicly display Divided into sections on Brahms s solitary scholarly existence and his fruitful composing career including examinations of rare first drafts the biography relates how crises in Brahm s personal life were translated into his music and how he often managed to ignore or suppress them *Johannes Brahms* Jan

Swafford,2012-01-11 An illuminating new biography of one of the most beloved of all composers published on the hundredth anniversary of his death brilliantly written by a finalist for the 1996 National Book Critics Circle Award Johannes Brahms has consistently eluded his biographers Throughout his life he attempted to erase traces of himself wanting his music to be his sole legacy Now in this masterful book Jan Swafford critically acclaimed as both biographer and composer takes a fresh look at Brahms giving us for the first time a fully realized portrait of the man who created the magnificent music Brahms was a man with many friends and no intimates who experienced triumphs few artists achieve in their lifetime Yet he lived with a relentless loneliness and a growing fatalism about the future of music and the world The Brahms that emerges from these pages is not the bearded eminence of previous biographies but rather a fascinating assemblage of contradictions Brought up in poverty he was forced to play the piano in the brothels of Hamburg where he met with both mental and physical abuse At the same time he was the golden boy of his teachers who found themselves in awe of a stupendous talent a miraculous young composer and pianist poised between the emotionalism of the Romantics and the rigors of the composers he worshipped

Bach Mozart Beethoven In 1853 Robert Schumann proclaimed the twenty year old Brahms the savior of German music Brahms spent the rest of his days trying to live up to that prophecy ever fearful of proving unworthy of his musical inheritance We find here more of Brahms s words his daily life and joys and sorrows than in any other biography With novelistic grace Swafford shows us a warm blooded but guarded genius who hid behind jokes and prickliness rudeness and intractability with his friends as well as his enemies but who was also a witty drinking companion and a consummate careerist skillfully courting the powerful This is a book rich in secondary characters as well including Robert Schumann declining into madness as he hailed the advent of a new genius Clara Schumann the towering pianist tormented personality and great love of Brahms s life Josef Joachim the brilliant self lacerating violinist the extraordinary musical amateur Elisabet von Herzogenberg on whose exacting criticism Brahms relied Brahms s rival and shadow the malevolent genius Richard Wagner and Eduard Hanslick enemy of Wagner and apostle of Brahms at once the most powerful and most wrongheaded music critic of his time Among the characters in the book are two great cities the stolid North German harbor town of Hamburg where Johannes grew up which later spurned him and glittering fickle music mad Vienna where Brahms the self proclaimed vagabond finally settled to find his sweetest triumphs and his most bitter failures Unique to this book is the way in which musical scholarship and biography are combined in a style refreshingly free of pretentiousness Jan Swafford takes us deep into the music from the grandeur of the First Symphony and the intricacies of the chamber work to the sorrow of the German Requiem allowing us to hear these familiar works in new and often surprising ways This is a clear eyed study of a remarkable man and a vivid portrait of an era in transition Ultimately Johannes Brahms is the story of a great backward looking artist who inspired musical revolutionaries of the following generations yet who was no less a prophet of the darkness and violence of our century A biographical masterpiece at once wholly original and definitive *Brahms, His Life and Work* Karl Geiringer, 2013-03-01 Bonded Leather binding

Johannes Brahms Johannes Brahms, 1997 This book is the first comprehensive collection of the letters of Johannes Brahms ever to appear in English Over 550 are included virtually all uncut and there are over a dozen published here for the first time in any language Although he corresponded throughout his life with some of the great performers composers musicologists writers scientists and artists of the day and although thousands of his letters have survived English readers have until now had scant opportunity to meet Brahms in person through his words and in his own voice The letters in this volume range from 1848 to just before his death They include most of Brahm s letters to Robert Schumann over a hundred letters to Clara Schumann and the complete Brahms Wagner correspondence They are joined by a running commentary to form an absorbing narrative documented with scholarly care provided with comprehensive notes but written for the general music lover the result is a lively biography The work is generously illustrated and contains several detailed appendices and an index [The Life of Johannes Brahms \(Vol. 1&2\)](#) Florence May, 2023-12-18 In *The Life of Johannes Brahms Vol 1 2* Florence May masterfully chronicles the life and artistry of

one of the towering figures in classical music With meticulous research and a narrative style that intertwines biographical detail with insightful analysis May provides readers with a nuanced understanding of Brahms musical evolution his influences and the sociocultural context of the 19th century that shaped his genius The dual volumes serve not only as a biography but as an exploration of Brahms intricate emotional landscapes as seen through the lens of his personal letters and contemporary accounts capturing the dynamic interplay between his life experiences and his monumental compositions Florence May a prominent musicologist and biographer had a profound admiration for Brahms which fueled her commitment to illuminate his narrative Her dedication to musicology is evident in her extensive research and her ability to connect Brahms life and work with larger artistic movements of the Romantic era Such a background bolstered by her understanding of musical theory positions her as an authoritative voice on Brahms making her insights valuable not only to music lovers but also to scholars seeking to comprehend the complexities of Brahms legacy This comprehensive biography is an essential read for anyone seeking a deeper appreciation of Brahms and the influences that directed his artistic vision By immersing readers in the rich tapestry of Brahms life May invites us to connect with the music on a personal level making this scholarly work both enlightening and engaging for musicians historians and general readers alike In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Brahms Karl Geiringer, 1963 *Brahms, His Life and Work* Peter Latham, 1962 *Sourcebook for Research in Music, Third Edition* Allen Scott, 2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come

the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Brahms His Life And Work eBooks, including some popular titles.

FAQs About Brahms His Life And Work Books

What is a Brahms His Life And Work PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Brahms His Life And Work PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Brahms His Life And Work PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Brahms His Life And Work PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Brahms His Life And Work PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
