## **Braided River A Collection Of Poetry:**

Braided River Janet Trowbridge Bohlen, 2000      Braided River Anselm Hollo, 2005 Braided River consists of a major selection from forty years of Anselm Hollo's published work as well as a selection from his most recent uncollected work. It describes a braided lifetime's endeavours to generate text that reflects a twentieth century existence in Europe including England and the United States of America. A native of Finland, Hollo has been anthologized and discussed as a British poet in the Sixties and early Seventies, later on as an American one. A lifelong associate of the Beat, Black Mountain, New York One and Two, and L A N G U A G E schools of U S American Poetry, Hollo hopes to convey to younger writers the amazing variety and strength of the writing, both poetry and prose, that has emerged from those quarters in the past fifty odd years and that has been strongly connected to the most active work created in the United Kingdom. This body of work represents the United States' true contribution to modern and postmodern world literature and it exists to this day in glorious independence from what poet-essayist Charles Bernstein has called official verse culture. Hollo's aim is to acquaint younger writers with this vigorous, multifarious, rhizomic tradition of U S American writing. He also hopes to demonstrate the multi and cross-cultural connections that have influenced it, something he practises in his Boulder classes examining twentieth century European poetry and French poetry in particular, and in his translation workshops.      **Braided River** Peggy Shumaker, 1993-11-01

The Collected Poems of Anselm Hollo Anselm Hollo, 2023-08-08 Wry and witty poems from an avant-garde great collected in one volume for the first time. The Collected Poems of Anselm Hollo gathers over five decades of the poet's multifaceted work into one elegant volume. All of Hollo's trademark humor, wisdom, and charm is on display here for students and fans of contemporary poetry. Warm, insightful, and delightfully observant, this comprehensive collection from the author of over forty books serves as a reminder that poetry isn't just an aspiration or avocation but a way of life.      *Braided Creek* Ted Kooser, Jim Harrison, 2023-08-22 In her loving Foreword to this expanded anniversary edition, Naomi Shihab Nye writes: *Braided Creek: A Conversation in Poetry* is one of the dearest, most appealing books ever published. These poems are tiny, delicious American haiku affectionately exchanged between two friends. This slim volume acts as a palate cleanser, a spirit booster, a little rocket ship of wonders. While Ted Kooser and Jim Harrison were an unlikely pair to become friends, they shared an intimate correspondence of handwritten letters that often included new poems. After Kooser was diagnosed with cancer, Harrison sensed his friend's poetry becoming overwhelmingly vivid, and their friendship deepened through the exchange of brief poems that captured the essence of what they wanted to say to each other. After hundreds of poems were sent back and forth through the mail, they found this volume hidden within the stacks of envelopes and postcards.
