

The image shows a top-down view of a white plate with a light blue floral pattern. Four golden-brown, elongated bread bullets are arranged in a slightly curved line across the center. To the left of the bread bullets, there are two small glass bowls. The top bowl contains a vibrant green sauce, and the bottom bowl contains a dark red sauce. The entire scene is framed by a thin teal border.

Bread Or Bullets! Joan Casanovas,2007 Bullets and Bread Kent Whitaker,2013-03-26 Examines the foods food supplies and the transformation of the food industry needed to supply a military that grew from one to ten million over night as well as the menus and the difficulties on the homefront Includes examples of menus from heads of state princesses and generals as well as recipes for and comments from the fighting men and women Publisher *Bread, Or Bullets!* Joan Casanovas Codina,1998 *Bread, or Bullets!* Joan Casanovas,1998-11-15 Bread or Bullets is the first thoroughly documented history of organized labor in nineteenth century Cuba Based on research in libraries and archives in Cuba Spain the United States and the Netherlands it focuses on how urban laborers joined together in collective action during the transition from slave to free labor and in the last decades of Spanish colonial rule in Cuba Nineteenth century Cuban colonial society and the slavery system sharply divided Cuba s inhabitants by race and origin This deeply affected the labor movement that started in the late 1850s as it became difficult to mobilize workers with common interests across the diverse ranks Paradoxically this also drove the workers to build class ties across divisions of origin race and degrees of freedom This formed the basis for developing collective action In the 1860s the labor movement under the leadership of white creoles and Spaniards called peninsulares joined the reformist movement of the creole bourgeoisie The outbreak of the Ten Years War in 1868 created an extremely repressive atmosphere for labor that forced thousands of Cuban workers to flee to the United States After the peace treaty of El Zanjón in 1878 the workers who returned and those who had remained used their experience to rebuild th Cuban labor movement at an impressive pace This common goal led Cuban workers to fight continuously against divisions along racial and ethnic lines and to replace their moderate unionist and strongly pro Spanish leadership with anarchists The end of slavery accelerated the evolution of Cuban politics and the expansion of the labor movement Spain s shift toward reactionary colonial policies in 1890 halted this process and accentuated anticolonial sentiment among the popular classes This helped the left wing of the separatist movement led by Jose Marti to launch the War of Independence in 1895 with strong working class support Bread of Bullets is an important work for anyone interested in understanding Cuban society Spanish colonialism and labor relations in Latin America *Bread Bullets* Roy Samuel MacElwee,1917 **City health; bulletin Detroit department of health** Detroit.
