A Source For Creative Thinking

**Edward Jewitt Wheeler, Isaac Kaufman
Funk, William Seaver Woods**

A Source For Creative Thinking:

A Source Book for Creative Thinking Sidney Jay Parnes, Harold Friend Harding, 1962 **Multidisciplinary Contributions to the Science of Creative Thinking** Giovanni Emanuele Corazza, Sergio Agnoli, 2015-07-30 This book offers a multidisciplinary and multi domain approach to the most recent research results in the field of creative thinking and creativity authored by renowned international experts By presenting contributions from different scientific and artistic domains the book offers a comprehensive description of the state of the art on creativity research Specifically the chapters are organized into four parts 1 Theoretical Aspects of Creativity 2 Social Aspects of Creativity 3 Creativity in Design and Engineering 4 Creativity in Art and Science In this way the book becomes a necessary platform for generative dialogue between disciplines that are typically divided by separating walls Creative Thinking S. J. Parnes, H. F. Harding, 1962 The Strategy of Creative Thinking Bernard B. Goldner, 1962 **Creative Mind** Ernest Holmes, 1926 Creative Thinking Techniques Thomas F. Warren, 1970 **Creative Mind and Success** Ernest Holmes, 1919 **The Art and Science of Creativity** George Frederick Kneller, 1965 **A Course of Study for the Elementary Schools of Wisconsin** Wisconsin. Department of Public Instruction, 1922 Creative Thought and the Problem of Evil Sir William Barrett, 1914 **Role of Evaluation in Creative Thinking** Ellis Paul Torrance, 1964 **Psychology**, 1928 Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewett Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1903 Official Proceedings New York Railroad Club, 1924 A Study of the Sources of Bunyan's Allegories James Blanton Wharey, 1904 *The Creative Mind in Coleridge's Poetry* Kathleen M. Wheeler, 1981 Five of Coleridge's major poems are given fresh scrutiny in this arresting study One of its unusual features is the attention given the Preface to *Kubla Khan* the Gloss to *The Ancient Mariner* and other prose accompaniments to the poems usually dismissed as extraneous Devices such as these the author argues are strategically employed by Coleridge in an effort to engage the reader in a fully imaginative response Kathleen Wheeler elucidates the texts in terms of aesthetic experience and also in terms of the philosophical principles that inform them showing how Coleridge's theories of mind and imagination function within the poems and shape their design A subtle and gifted reader of poetry she enriches our understanding of poems we thought we knew well and provides insights along the way into the creative process **Unity**, 1905 **Art in Australia**, 1922 Proceedings New York Railroad Club, 1924 *Atlantic Monthly*, 1925
