Box Of God:

Blowing the Lid Off the God-Box Anne Robertson, 2005 What's in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It's a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open *Blowing the Lid Off the God Box* starts with the ministry of Jesus who blew the lid off everyone's God box by constantly challenging his followers with the unexpected Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas

You Can't Put God in a Box Kelly Besecke, 2014 Kelly Besecke offers an examination of reflexive spirituality a spirituality that draws equally on religions traditions and traditions of reason in the pursuit of transcendent meaning People who practice reflexive spirituality prefer metaphor to literalism spiritual experience to doctrinal belief religious pluralism to religious exclusivism or inclusivism and ongoing inquiry to final answers Reflexive spirituality is aligned with liberal theologies in a variety of religious traditions and among the spiritual but not religious *You Can't Put God in a Box* draws on original qualitative data to describe how people practiced reflexive spirituality in an urban United Methodist church an interfaith adult education center and a variety of secular settings The theoretical argument focuses on two kinds of rationality that are both part of the Enlightenment legacy Technological rationality focuses our attention on finding the most efficient means to a particular end Reflexive spiritualists reject forms of religiosity and secularity that rely on the biases of technological rationality they see these as just so many versions of fundamentalism that are standing in the way of compelling spiritual meaning Intellectual rationality on the other hand offers tools for analysis interpretation and synthesis of religious ideas Reflexive spiritualists embrace intellectual rationality as a way of making religious traditions more meaningful for modern ears Besecke provides a window into the progressive theological thinking of educated spiritual seekers and religious liberals Grounded in participant observation her book uses concrete examples of reflexive spirituality in practice to speak to the classical sociological problem of modern meaninglessness

God: Out of Control, Out of the Box, Out of Time Don Nori, 2011-07-19 *God Out of Control* shouts the fact that God's Presence is not constrained by time manmade walls around Him or self limiting and God constraining mindsets Statistics abound about the large numbers of people leaving organized religion and the general disenchantment with all things spiritual as presented by Western religions Secularists politicians political correctness police public education government and law enforcement have all stepped up unwarranted persecution of religion in general and Christianity in particular These anti Christ systems are encouraged to continue by the obvious lack of push back by the religious machines in the United States Genuine believers the grassroots movement of quiet anarchy are quickly dismissed as fringe groups with no real power or organization Little do the masters of deception

understand the inner workings of the Holy Spirit that are reminiscent of the times of the apostles and the early church founders These early believers knew and understood that He who was in them was greater than who was in the world 1 John 4:4 They could not be bullied silenced or ignored They escaped from legalistic traditions and the mind numbing status

The Box of God Lew Sarett, 1922 *God's Agenda* William C. Edmondson, 2021-03-12 God reveals to us His plan of why He created the Universe and why He created you He reveals to us that we were created to be His servants He tells us why Satan rebelled against God and what he did to mankind Satan captured the Soul of mankind in the Garden of Eden and they became his slaves God reveals to us that the tactics Satan used to capture mankind can also be used against Satan to return to God Satan is not your friend He just wants to use you in his battle to defeat God and take over His Kingdom Satan is a mighty foe but Satan cannot and will not defeat God God has abilities that Satan does not have God knows what Satan's plans are before Satan puts his plan in motion God then uses Satan's plans against him God reveals to us that we were created with a body soul and spirit He reveals to us how they work together and how they are influenced to do good or evil Get biblically rooted wisdom on understanding God's plan for creation and learn why the Bible is about more than reading stories with the insights in God's Agenda [My Lil Purple Glittery Box](#) Gods Girl, 2021-03-29 My Lil Purple Glittery Box is the story of God's Girl and her adventures with Jesus after sustaining her fourth traumatic brain injury in an automobile accident The accident was career ending and life changing Having to deal with the inability to comprehend a paragraph read to her God's Girl cries to the Lord were rewarded with adventures with the entire Trinity inside the glittery box A morning of fear from the inability to focus was rewarded with the comfort of angels sitting high atop their puffy purple clouds serenading God's Girl with symphonies of praises to God inside her lil purple glittery box as she and Jesus sat hand in hand resting upon her lil purple eyelet pillow Days of neuro occupational therapy and physical therapy were met with trips with Jesus inside my lil purple glittery box to a frozen lake in Canada Jesus and God's Girl would sit in the middle of the frozen lake drinking hot cocoa topped with whipped cream and a cherry watching the polar bears dressed in scarves and multicolored winter hats twirl on one leg as they glided across the ice Jesus always provides peace and rest in Him to God's Girl His adventures comfort and lessons in My Lil Purple Glittery Box both healed God's Girl and strengthened her faith Sharing the adventures inside the box of comfort also provides the hope of the Lord to others Regardless of what you are faced with sit in His presence and talk with Him Give Him every fear and care Let Him transport you to a calming restful place He will comfort and heal He will provide the most beautiful treasures each and every day just for you [The Silver Box](#) John Galsworthy, 1912 *Breaking All The Rules* Kristian A. Smith, 2022-05-18 Rule Keeping theological frameworks are failing us In *Breaking All The Rules* Kristian A. Smith introduces Greatest Commandment Theology as an ancient framework for modern faith This book doesn't provide answers for your questions It provides questions for your answers The challenge is to remove the question What does the Bible say about that and replace it with How does the Greatest Commandment apply here
