Austen Country:

Jane Austen's Country Life Deirdre Le Faye, 2014-06-01 Jane Austen lived for nearly all her life in two Hampshire villages for 25 years in her birthplace of Steventon and then for the last 8 years of her life in Chawton during which she wrote and published her great novels While there are plenty of books describing her periods of urban life in Bath Southampton and London and the summer holidays in Lyme Regis and other West Country seaside resorts no book has given consideration to the rural background of her life Her father was not only the rector of Steventon but a farmer there as well managing a property of some 200 acres Her brother Edward in addition was a large landowner holding the three estates of Godmersham in Kent Steventon and Chawton in Hampshire Agriculture in all its aspects was even more important to Jane than clerical life or the naval careers of her younger brothers This book fills a gap in the Austen family background discussing the state of agriculture in general in the south of England during the wartime conditions which lasted for most of Jane Austen's life and considering in particular the villages and their inhabitants the weather conditions field crops farm and domestic animals and the Austens household economy and rural way of life Apart from these obvious sources there are other Austen family manuscripts as yet unpublished which provide particular and unique information Richly illustrated with contemporary depictions of country folk landscapes and animals Jane Austen's Country Life conjures up a world which has vanished more than the familiar regency townscapes of Bath or London but which is no less important to an understanding of this most treasured writer's life and work

Austen Country Tom Howard, 1995 With the aid of magnificent photography the reader is introduced to what can still be seen despite the lapse of two centuries of the life the towns and the countryside that Jane Austen knew

Life in the Country Jane Austen, James Edward Austen-Leigh, Maggie Lane, Joan Klingel Ray, Joan Austen-Leigh, 2008 This beautiful book combines quotations by Jane Austen with charming silhouette drawings by her nephew James Edward Austen Leigh which have never before been made available to a wide audience Jane Austen's lively text and her nephew's astute observations of nature combine in a way that uniquely illustrates their perspectives on life in the English countryside

Jane Austen and Her Country-house Comedy William Henry Helm, 1910 Jane Austen's Cults and Cultures Claudia L. Johnson, 2014-04-04 Johnson begins by exploring the most important monuments and portraits of Austen considering how these artifacts point to an author who is invisible and yet whose image is inseparable from the characters and fictional worlds she created She then passes through the four critical phases of Austen's reception
