Australia Geography:

Australia's Defence Peter Dean, Brendan Taylor, Stephan Frühling, 2014-07-18 Almost half a century ago the Australian National University's TB Millar penned a seminal book on Australian defence policy in the lead up to the Vietnam War Today Australia's defence forces are returning from long conflicts overseas while the rise of China and the economic integration in the Indo Pacific presents a complex mix of challenges and opportunities Drawing inspiration from Millar's original volume *Australia's Defence Towards a New Era* brings together leading experts to examine the domestic and international context of Australia's defence policy Australian strategy and the size and state of our armed forces As the country heads towards a new era this book provides an in depth overview and key insights into the past present and future of Australia's defence

Developing Australia's Regions Andrew Beer, Alaric Maude, William Pritchard, 2003-05-01 Delves behind the too often negative media headlines and stereotypes about regional Australia and considers the true state of Australia's regions including metropolitan regions and what can be done to improve their economic social and environmental well being
